

Landing Craft SEAWIND 1

46m Landing Craft (LCT)

www.fodico.com.au

Seawind 1 is a 46m LCT purpose built for the transportation of large plant & equipment items and bulk quantities of materials & liquid cargo.

She has a ramp width of 6.5m, a free deck area of 290m² and a maximum load capacity of 300t. Her unique bi-fold ramp allows large items of mobile plant to be loaded and unloaded with increased safety and efficiency.

A purpose-built ramp wedge can be supplied to enable favourable ramp angles on certain projects.

Seawind 1 can transport up to 200m³ of cargo fuel and 220m³ of fresh water.
