

The Dumb Barge "Targetline 1201" measures 36m x 12m x 2.4m. Deck load capacity of 7t per square metre.

Can be fitted with a 4-point mooring system, 18m Spud Legs and a 25-tonne hydraulic luffing A Frame, lifting winches and snigging winches (all plumbed internally).

The Targetline is also the platform we use for our 60-tonne crawler crane.

The vessel is fitted with aft skogs to improve her performance when under tow.
