

Your Ref: Application for Minor Change Our Ref: BE:HR MCU17\0010

27 August 2020

Levelsie Bligh Manager Hinchinbrook Aboriginal and Islander Housing Corporation Society PO Box 1098 INGHAM QLD 4850

levelsie@haihc.org.au

Dear Ms Bligh

Decision Notice - Minor Change to Development Permit for Material Change of Use Multiple Unit Development

Planning Act 2016

Receipt of your application, deemed to be properly made on Monday 17 August 2020 seeking a change to an existing Development Permit for Material Change of Use - Multiple Unit Development at 8 Alm Street Ingham, is acknowledged and its contents noted.

Your application was assessed by relevant staff and considered at Council's General Meeting held on Tuesday 25 August 2020.

Council resolved to approve the proposed change, subject to reasonable and relevant conditions which accord generally with the application as made. Council's Decision Notice is attached for your perusal.

This Notice outlines aspects of the development's condition of approval, currency period, approved plans, referral agency response and includes extracts from the Planning Act 2016 with respect to making representations about conditions, negotiated decisions, suspension of the appeal period and lodging an appeal, should you wish to do so.

Should you require any further information or clarification concerning this matter, please contact Council's Built Environment Team Leader, Hayley Roy on 4776 4609 for the necessary assistance.

Yours sincerely

Alan Rayment

Chief Executive Officer

Encl - Decision Notice

27 August 2020

SECTION 83 OF PLANNING ACT 2016

APPLICATION DETAILS This Decision Notice relates to the below development application:		
Application Number	MCU17\0010	
Property ID Number	100346	
Applicant Details	Hinchinbrook Aboriginal and Islander Housing Corporation Society PO Box 1098 INGHAM QLD 4850	
Owner Details	Hinchinbrook Aboriginal and Islander Housing Corporation Society PO Box 1098 INGHAM QLD 4850	
Property Description	8 Alm Street Ingham Lot 11 on RP717839	
Proposal	Material Change of Use – Multiple Unit Development (3 x 1 bedroom units)	
Level of Assessment	Impact Assessment	

DECISION The information below outlines the specifics of any approval or refusal issued by the Assessment Manager resulting from development assessment as per the provisions of the <i>Planning Act 2016</i> :		
Decision	The application was approved subject to conditions.	
Decision Date	Original Decision Date – 24 April 2018 Minor Change Decision Date – 25 August 2020	
Decision Type	Development Permit	
Planning Instrument	Hinchinbrook Shire Planning Scheme 2017	
Deemed Approval	This Development Permit is not a deemed approval under Section 64 of the <i>Planning Act 2016</i> .	
Submissions	Nil (O)	

CONDITIONS OF APPROVAL

The conditions of this approval are set out in the Schedule of Conditions. The conditions are identified to indicate whether the Assessment Manager or Referral Agency (if any) imposed them.

REFERRAL AGENCIES

Not applicable.

PROPERTY NOTES

Not applicable.

FURTHER APPROVALS REQUIRED

The following further approvals are required to undertake this approved development:

1) A Development Permit for building works is required prior to works commencing on-site.

This approval does not authorise any filling of land or building work and a Development Permit for carrying out the above mentioned may require additional assessment.

This approval does not authorise any works within Council's Road Reserve (e.g. new/additional access, repair/modification to existing access or works to footpaths). If this is required as part of your development proposal, an application will need to be lodged with Council or other relevant authority.

INFRASTRUCTURE CHARGES

A further adopted infrastructure charges notice, outlining the proposed staged result, will be issued for this minor change to the development approval in due course.

RIGHTS TO APPEAL

The rights of an applicant to appeal to the Planning and Environment Court against a decision about a development application are set out in Chapter 6, Part 1 of the *Planning Act 2016*. There may also be a right to make an application for a declaration by a tribunal (see Chapter 6, Part 2 of the *Planning Act 2016*).

An applicant for a development application may appeal to the Planning and Environment Court against the following:

- The refusal of all or part of the development application;
- A provision of the development approval;
- The decision to give a preliminary approval when a development permit was applied for; and
- A deemed refusal of the development application.

The timeframes for starting an appeal in the Planning and Environment Court are set out in Section 229 of the *Planning Act 2016*.

APPROVAL CURRENCY PERIOD

Pursuant to Section 85 of the *Planning Act 2016*, the development approval will lapse six years after the approval starts to have effect, unless otherwise conditioned.

APPROVED PLANS AND SPECIFICATIONS

The development must be carried out in accordance with the approved plans, specifications and/or drawings, along with the requirements of all relevant laws. Any deviation must have prior approval from the Chief Executive Officer.

Copies of the approved plans, specifications and/or drawings are attached.

NOTICE ABOUT DECISION - STATEMENT OF REASONS

This notice is prepared in accordance with Section 63(5) and Section 83(7) of the *Planning Act 2016* to inform the public about a decision that has been made in relation to a development application.

The purpose of this notice is to enable a public understanding of the reasons for the planning decision, specifically having regard to:

• The relevant part of the planning scheme and assessment benchmarks against which the application was assessed; and

Page **4** of **11**

• Any other information documents or other material Council was either required to, or able to, consider in its assessment.

All terms used in this notice have the meaning given to them in the Planning Act 2016.

The proposed development is considered to be consistent with the relevant overall outcomes and assessment benchmarks of the *Hinchinbrook Shire Planning Scheme 2017*, in particular:

- The application has been approved as it is considered to meet, or have the ability to meet the requirements of the relevant aspects of the *Hinchinbrook Shire Planning Scheme 2017*; and
- Conditions of approval have been included to ensure that compliance with the *Hinchinbrook Shire Planning Scheme 2017*.

Should you require any further information or clarification concerning this matter, please contact Council's Built Environment Team Leader, Hayley Roy on 4776 4609 for necessary assistance.

Yours sincerely

George Milford

Planning Consultant

CONDITION			TIMING
(4)	Lawf 4.1	ul Point of Discharge All stormwater from the property must be directed to a lawful point of discharge such that it does not adversely affect surrounding properties or properties downstream from the development, all to the requirements and satisfaction of the Chief Executive Officer;	At all times.
	4.2	The proposed structure(s) must include guttering which directs stormwater to a legal point of discharge within the confines of the boundary; and	
	4.3	Where retaining walls, fences, buildings or other barriers which would cause a 'damaging effect' and produce a concentrated flow at an outfall are constructed, a drainage system is installed to discharge surface water such that it does not adversely affect surrounding properties or properties downstream from the development.	
(5)	Acces 5.1	The existing crossover access to Lot 11 on RP717839 must be removed with the kerb and channel reinstated.	Prior to final building/plumbing
	5.2	The new access to the eastern side of the property is to be constructed in accordance with Council's standard engineering specifications and must be constructed to a minimum concrete standard from the kerb and channel to the property boundary.	certification.
	5.3	The turnout from the sealed extent of Alm Street to the kerb and channel is to be constructed to a sealed standard e.g. spray seal or asphalt	
	5.4	A Private Works in Road Reserve Permit must be obtained prior to commencing works.	
(6)	Wate 6.1	er and Sewerage Services Provide a single internal sewer connect to each unit which must be clear of any building or structures;	At all times and prior to final
	6.2	Provide each individual tenancy or dwelling unit with separate system for the metering of water consumption;	building/plumbing certification.
	6.3	Water supply sub-meeting must be designed and installed in accordance with the <i>Plumbing and Drainage Act 2018</i> and <i>Water Act 2000</i> (apples to developments which will be reconfigured by Building Format Plan);	
(7)	Plum 7.1	bing and Drainage All plumbing and sanitary damage works must be accordance with regulated work under the <i>Plumbing and Drainage Act 2018</i> and Council's Plumbing and Drainage Policies and must be completely separate from each dwelling unit; and	Prior to final building/plumbing certification.

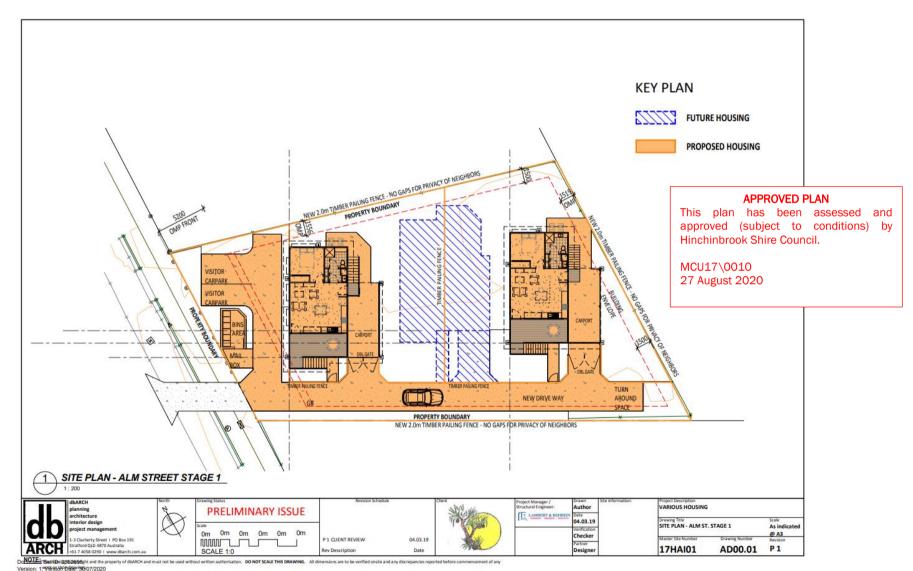

CONE	TIMING	
	7.2 The Applicant/Developer must submit for Council's consideration and approval a detailed stormwater drainage plan. The plan must reflect the following considerations:	
	 i) Surface drainage must be catered for in a manner that lessens possible impact in receiving areas; and 	
	ii) The development must drain to road frontages or other legal point of discharge.	
(8)	Damage to Infrastructure In the event that any part of Council's existing sewer, water, channel and kerbing, or road infrastructure is damaged as a result of construction activities occurring on the site that is associated with the Class 1 building(s), including but not limited to, mobilisation off heavy earthmoving equipment, stripping and grubbing, the applicant/ owner must notify Council immediately of the affected infrastructure and have it repaired or replaced by Council, at the developer's cost.	At all times.
(9)	Existing Services Written confirmation of the location of existing electrical and telecommunication services for the land must be provided by with the applicant or licensed surveyor. In any instance where existing services are contained with another lot, relocate the services to be contained within the respective lot or to within a reciprocal services easement.	Prior to commencement of use and final building/plumbing certification.
(10)	Building 10.1 The Applicant is to seek and comply with all relevant building approvals to be issued by a qualified Building Certifier; and	Prior to commencement
	10.2 Any lighting devices associated with the development, such as sensory lighting must be positioned on the site and shielded so as not to cause glare or other nuisance to nearby residents and motorists. Night lighting must be designed, constructed and operated in accordance with Australian Standard AS4282 "Control of the obstructive effect of outdoor lighting".	of use and final building/plumbing certification.
(11)	Landscaping 11.1 A landscaping plan must be submitted for approval;	At all times and
	11.2 Any landscaped areas must be subject to an ongoing maintenance.	prior to the issuing of a building permit.
(12)	On-Site Parking Sufficient on-site car parking to be provided for the Multiple Unit Development in accordance with the Table 9.4.3.4c – Parking Rates, of the Hinchinbrook Shire Planning Scheme 2017, being:	At all times and prior to final building/plumbing certification.
	i) 1 covered space per accommodation unit; andii) 1 visitor space per 2 accommodation units.	_

CONE	CONDITION	
(13)	Telecommunication The Applicant/Developer must provide telecommunication conduits under the access driveway to limit future excavation of the sealed surface	Prior to final building/plumbing certification.
(14)	Electricity Provide evidence that adequate electricity supply standard or renewable energy will be supplied and is supported/approved by relevant authority.	Prior to final building/plumbing certification.
