

Ingham Show Council Stall, Blue Light Association Calls for Volunteers, and Upcoming Events

Community Survey - Have Your Say on the Future Management of Council's Coastal Reserves

Reminder to 'Have Your Say' on the Future Management of Council's Coastal Reserves.

Council recently completed the first round of community meetings (Lucinda - September 2021, Taylors Beach and Forrest Beach - April 2022) where participants were presented with foundational knowledge to understand how these special places came to be.

You can catch up on the process to date and other key information that has been developed via the Knowledge Hub located on Council's website, *Hinchinbrook Shoreline Erosion Management Plan Community Consultation* page.

To complete the survey, please visit <https://bit.ly/30gVeuG>.

Survey closes 5.00pm on Thursday 30 June 2022.

Ingham Show Council Stall

Council is once again holding a stall at the Ingham Show on Thursday 23 June and Friday 24 June 2022.

Staff will be available to assist on the day with any questions or queries.

Where: Progress Park Forrest Beach

Cost: Free event

RSVP: Essential

To take part, please RSVP by Wednesday 6 July 2022 on the Council Website, *Community Events Calendar* page.

Find Your Future in Hinchinbrook 2022 Wrap Up

In response to the current skills and employee shortages, this year's format was a combined

Career's Day/Job Fair and Business Networking Event. It was a very successful event with a total of 93 students attending from Gilroy Santa Maria College, Abergowrie College, and Ingham State High School between 1.00pm to 3.00pm as a part of their school curriculum.

17 exhibitors attended the event. Some of these included CQ University, McDonalds employment, Department of Employment, Small Business and Training and Graduate School of Motoring, just to name a few. Students were encouraged to participate in an online survey where 64 responses were received.

Each student who completed the survey was entered into a competition to win a \$100 gift voucher from a local store of their choosing.

Congratulations to Pearce Mammino from Ingham State High School for being the lucky winner of this draw.

The response from those who attended said that the event was very informative, and they got a lot out of talking to the exhibitors and local businesses.

To view the images taken on the day, please visit Council's website, *Photo Gallery* page.

Temporary Speed Reduction - John Row Bridge Bruce Highway

The Department of Transport and Main Roads (TMR) advises that a temporary 80km/h speed restriction is in place across John Row Bridge on the Bruce Highway north of Ingham until further notice.

A recent inspection of John Row Bridge has identified fatigue cracks on a small section of the bridge deck surface.

Whilst the bridge is still structurally sound, reducing the speed limit to 80km/h will lessen the impact

on the bridge and slow any further deterioration.

Motorists are asked to follow all speed signage in place.

For further information, please contact TMR's Customer and Stakeholder Management Team on 1800 625 648 or email engagement.northern@tmr.qld.gov.au.

Road Pavement Micro-Surfacing Works

TMR advises that road pavement micro-surfacing works will occur on the following roads:

- Along the Bruce Highway between Frances Creek Rest Area and Pennas Road;
- On Fulton Drive between Macmillans Road and Merrybank Road/Fissores Road; and
- Along the Bruce Highway (between Ingham and Townsville) on the Rollingstone Transport Inspection and Weigh Pads Site.

Motorists are asked to follow all speed signage in place.

For further information, please contact TMR's Customer and Stakeholder Management Team on 1800 625 648 or email engagement.northern@tmr.qld.gov.au.
