NAIDOC Week Celebrations Wrap Up

Council acknowledged our First Nation people at the NAIDOC 2022 Flag Raising Ceremony and Cake Cutting on Monday 4 July 2022.

The theme this year 'Get Up! Stand Up! Show Up!' shows that we must keep rallying around our mob, our elders, our communities.

Whether it is seeking proper environmental, cultural and heritage protections, Constitutional change, a comprehensive process of truth-telling, working towards treaties, or calling out racism—we must do it together.

It must be a genuine commitment by all of us to Get Up! Stand Up! Show Up! and support and secure institutional, structural, collaborative, and cooperative reforms.

It is also time to celebrate the many who have driven and led change in our communities over generations—they have been the heroes and champions of change, of equal rights and even basic human rights.
