**Look out for Cane Trains**

The 2023 crushing season is right around the corner, which means cane trains and farming machinery will shortly be on the roads.

Residents are reminded to approach all crossings with caution and to look out for cane trains.

Not all crossings in the district have flashing lights to indicate a train is coming, so please be vigilant.

Parents are encouraged to remind their children of the importance of safety during this time.

Good luck to all the crews in the harvesting, milling and farming sectors.

May you have a productive and incident free season.
