

FLYING FOX MANAGEMENT PROGRAM

PUBLIC INFORMATION SESSION

Attend this Public Information Session if you are interested in understanding the unique flying fox situation that Hinchinbrook has been experiencing and the activities that have been undertaken to attempt to dissuade the animals from continuing to roost in the Ingham CBD area.

Thursday 20 February 2020 from 5.30pm to 7.00pm.

IF YOU ARE INTERESTED IN...

- **Gaining a general understanding of the issues being faced;**
- **The current project and progress being achieved; and**
- **Reasonable expectations going forward.**

THEN THIS IS RECOMMENDED FOR YOU!

Following the Information Session, you are invited to stay for real time commentary and explanation by Biodiversity Australia with respect to the nightly fly out of flying foxes commencing at approximately 7.00pm.
