

What location do you reside in?	Have you previously utilised the skip bin services provided through the Rural Clean Up Program?		What type of items did you dispose of? e.g. furniture, scrap metals, mattresses etc.	Are you in favour of Council replacing the Rural Clean Up Program with the Storm Season Clean Up Program? i.e. free dump days as specified		Do you have any suggestions for Council's Waste Team about other waste support programs you would like to see offered to the Hinchinbrook community?
Open-Ended Response	Yes	No	Open-Ended Response	Yes	No	Open-Ended Response
Upper Stone	Yes		Furniture, vacuum cleaners stoves ,		No	Bulk bin twice a year. Know we are trying to cut costs but saves on illegal dumping that will happen if people have to go to dump for 2 days
Ingham	Yes		Old furniture and appliances		No	Curbside collections, incase you don't have a Ute to dispose of larger rubbish items
Ingham		No		Yes		Green waste bin
Forrest Beach		No	Nil	Yes		Annual hard waste curbside clean up as used to be done before cyclone season for everyone in the district, not just rural.
Bambaroo / Coolbie	Yes		Scrap Metal, Trampoline (Old), Old sheets of Iron, General Yard clean up items that will cause damage in a Cyclone		No	Taking away this service is just another slap in the face for people not living in town - We pay rates now for services we don't get - Not on Mains sewerage, not on mains water and yet we are paying rates as if we are because its an "Average" for the shire - maybe we should start to get a discount for these services and then the council would have enough money to pay for the skips bi-yearly for Cyclones
Helen's Hill, Ingham		No	(Havnt lived here long)	Yes		I am surprised that the rural cleanup program is all the council offers here. I havnt lived here long, but was surprised there was no annual council funded kerbside collection prior to storm season. As well, as what is proposed - having a weekend of 'free dumping'. I feel the combination will be alot more successful, as it has been elsewhere - as a lot of people (particularly those living in surburbia), do not have the means to take larger items away to the dump - such as what's listed above. Really hope the council takes this into consideration.
Hawkins Creek	Yes		Scrap metals furniture kids toys		No	Not at this time.
Long Pocket	Yes		scrap steel, household furniture cupboards, general large household items to large for the wheelie bins.		No	Yes. Previously before the expensive wheelie bin system. we had a large bin in Sheahans road that would be emptied on a frequent basis. This system worked, you could get ride of items frequently. The suggested new scheme offers no benefits for the rural people the dump is miles away, not on the way to anywhere and we already have few dump days. Green waste is not a problem - green waste is carbon that needs to be returned to the soil.
Forrest Beach		No	Not applicable	Yes		Would be good to see a 'shop' at the dump. A place where people can deposit items and a council employee (or contractor ) clean and repair them and then sell. This practice works extremely well in some Shiresand I think it is something worth looking into.
Bemerside		No	N/a	Yes		Yes free dump day/s for storm clean up season
Row St Ingham		No	None	Yes		3 monthly throughout the year
Ingham	Yes		assorted range of items		No	no
Toobanna		No	Items that don't fit in the red rubbish bin.	Yes		I free dump day of a person's choice day. That way when you have holidays like in winter you can have a clean up without waiting for cyclone season clean up.
Blackrock		No	Nil	Yes		No
ingham		No	mainly garden waste	Yes		I think households should be allowed to dump one ute load of general garden clippings a day for free and it be mulched and composted to use around town and even for households to use like other councils
Ingham		No	Nothing	Yes		No
Bambaroo	Yes		Scraps, white goods, general waste	Yes		Scrap metal collection
Macdonald Street		No	Nil	Yes		Green bins
Forrest Beach	Yes		Bulk packaging. Large boxes	Yes		No
Bemerside		No	NA	Yes		Clamp down on illegal camping and dumping of rubbish within the shire.
Blackrock		No	Mattresses, kids toys, trampoline, wood	Yes		No
Forrest Beach		No	Not provided here	Yes		No
Ingham		No	N/A	Yes		Kerb side collection program
Forrest Beach		No	not applicable	Yes		no
