The blocks coloured in brown are currently in the sewerage area and are able to be connected to the reticulated sewerage scheme. These blocks are charged according to the Council's Sewerage Policy.

Each block in the sewerage area can have a connection point.

Connection points are situated in certain areas on these blocks and it will be up to the owners to install plumbing lines to the connection point at their cost.

I hereby certify that this map no. HSRA-1 referred to as the Hinchinbrook Shire Sewerage Rating Area adopted for the purposes for rating, at the budget meeting.

T Tanase  
Acting Chief Executive Officer  
20th September 2012
