

# Conditions of Entry - JCUSA Events

You must provide personal details via a Contact Tracing Form to enter this event.

## Health:

- Do not enter this event if you have been unwell in the last 2 weeks with fever, cough, sore throat, fatigue or shortness of breath;
- Entry will be refused to any person who presents and is known in the last 14 days to have (or had) symptoms, contact with a known/suspected case, or be at high risk;
- JCUSA and its nominees have the right to refuse entry and anyone with these symptoms in the last 14 days to have (or had) symptoms, contact with a known/suspected case, or be at high risk must leave the premises. This also includes any person observed to be reasonably displaying symptoms (e.g. persistent coughing) of COVID-19;
- Practice good hand and respiratory hygiene and avoid touching of eyes, nose or mouth;
- Do not put anything on the reception counter or reception tables;
- Cash less payment is preferred; and
- Visitors who are vulnerable to a serious COVID-19 infection make the decision to enter this event at their own risk.

## Social distancing:

- Physical distancing of 1.5 metres must be maintained;
- No more than 1 person per 4m<sup>2</sup>;
- No physical greetings such as handshakes, high fives, hugs and kisses; and
- No spitting.

## Hygiene:

- You must sanitise your hands priority to entry; and
- You are not to share pens.

## Contact Tracing:

- You must sign in on our Contact Tracing Form;
- The Contact Tracing Form will be kept for the purpose of contact tracing; including name, phone number or email address and date regardless if you have downloaded the COVIDSafe app; and
- If requested, government authorities will be provided with access to any digital or manual records of attendance for the purpose of contact-tracing for a confirmed or suspected cases of COVID-19.

## COVID-19 Symptoms can include:

- Most common symptoms: fever, dry cough and tiredness;
- Less common symptoms: aches and pains, sore throat, diarrhoea, conjunctivitis, headache, loss of taste or smell, a rash on skin, or discolouration of fingers or toes; and
- Serious symptoms: difficulty breathing or shortness of breath, chest pain or pressure loss of speech or movement.

JCUSA has the right to refuse entry and insists that anyone with COVID-19 or COVID-19 symptoms leaves the premises immediately.

Noncompliance and failure to comply with staff instructions that pertain to the new COVID related safety requirements can result in the visitor being requested to leave.

Have you signed up for the COVID Safe App?
