

<h2 style="text-align: center;">JCU Veterinary Students Association (JCUVSA)</h2>	
<p>The JCU Veterinary Students Association has been a long time running society that involves all students both current and graduated.</p> <p>It aims in providing both social and academic events for the enrichment of student's time whilst studying.</p> <p>The VSA is a student run organisation that hosts a range of events (academic and recreational) throughout the year to further connect students with each other and to have a bit of fun.</p> <p>It's a great chance to network and meet other people in the Veterinary degree including those from JCU as well as within the industry. Being a part of the VSA gives you discounted prices when purchasing tickets for events such as vet ball and even when buying merch. It gives you a chance to attend valuable guest lectures from the veterinary industries leading companies to face to face talks with world class veterinarians, get hands on experience with Rural Prac Day and to have some fun with your future colleagues. You only do Vet School once so get involved and have some fun.</p>	<p>Membership Fees: A 1 year membership = \$20 A Lifetime membership = \$60</p>
