Certificate IV in Mental Health CHC43315

Acquire the knowledge and qualifications to progress your career in Mental Health.
Develop your skills and techniques to improve client outcomes and open up new career pathways.

WHAT is a Cert IV in MH?

This qualification is for Mental Health Workers already working in the industry.

It reflects the role of workers who provide self-directed recovery-oriented support for people affected by mental illness and psychiatric disability.

WHY study this course?

Completing a Certificate IV in Mental Health will provide you with a wider knowledge and techniques which will improve service provision and client outcomes.

Work is undertaken in a range of community contexts such as community based non-government organisations; home based outreach; centre-based programs; respite care; residential services; rehabilitation programs; clinical settings; or supporting people in employment.

HOW do I achieve it?

QUALIFICATION RULES
