Certificate IV in Mental Health Peer Work

Acquire the skills and confidence to enter your chosen career path. This flexible qualification will provide you with the opportunity to develop your skills in order to access varied employment opportunities.

-----------------------------

WHAT IS CERTIFICATE IV IN MENTAL HEALTH PEER WORK?

This qualification reflects the role of workers who have lived experience of mental illness as either a consumer or carer and who work in mental health services in roles that support consumer peers or carer peers. Workers are employed in the mental health sector in government, public, private or community managed services.

To achieve this qualification, the candidate must have completed at least 80 hours of work as detailed in the Assessment Requirements of units of competency.

UNITS OF COMPETENCY
