Certificate IV in Mental Health Peer Work

Selectability Training

CHC43515

For Mental Health workers who have lived experience to acquire the knowledge and qualifications to progress your career. Develop your skills and techniques to improve client outcomes.

WHAT is a Cert IV in MH PW? UNITS of Competency

This qualification reflects the role of workers who have lived experience of mental illness as either a consumer or carer and who work in mental health services in roles that support consumer peers or carer peers.

WHY study this course?

Completing a Certificate IV in Mental Health Peer Work allows those with lived experience in Mental Health to harness their lived knowledge in a way that positively impacts their clients and co-workers.

Workers are employed in the mental health sector in government, public, private or community managed services.

HOW do I achieve it?

QUALIFICATION RULES
To achieve this qualification, the candidate must have completed at least 80 hours of work as detailed in the Assessment Requirements of units of competency.

HOW much does it cost?

Fee for service - $4,500 (Payment options available)
Subsidised Co- Contribution - $300
Concession Co- Contribution - $200

This course is supported by the Queensland Government’s Higher Level Skills funding.
