2013

Welcome

3DStoneTile&Pavers is one of the largest distributors of natural stone, pool tiles, interior tiles, pavers, retaining walls and blocks. We are direct importers and also agents to many of the famous brands. This means we will have what you want when you need it, all at special trade rates.

3DStoneTile&Pavers started out as 'The Paver Trader' back in 1999, with already many years experience in the industry. Our representatives are some of the most knowledgeable in the industry, so you will get the right advice every time.

Architects

Let us come to your studio or on-site to discuss your next project. We have colour sample boards suitable for all types of surfaces and situations. Alternatively, come down to our architectural display centre at 27-31 Ferry Rd, West End. It is only 5 minutes from Brisbane City Centre.

Home owners

Call us now to come out to your place! We will pass on our knowledge and provide you with an abundance of different styles in colour and finish.

Since we supply large quantities to the trade, you will receive the best service, all at the best prices available. Call into our display centre for all internal finishes.

Builders

We are available to meet with you or your clients on-site to discuss your needs. With an amazing array of products in all colours and styles, we will have what you need to help you get a professional finish. For all internal finishes, call into our display centre.

Pool builders

We supply many of the top pool builders and have a proven track record. We will give you and your client comfort in the knowledge that you are getting the best quality product for swimming pools, all with a fast back-up service. With the largest range of sizes in pool copings, glass and porcelain mosaics, blocks and stone facings for waterfalls, we have all you need to finish your pool to perfection, all on display boards in our mobile selection vans.

► We come to you! For External Surfaces

Featuring pool tiles, pavers, stone facades, retaining walls, blocks, synthetic turf and cobble stones

Our mobile on-site selection service makes choosing your colours and textures easy. You can see how it will look on-site before it gets installed.

For Internal Surfaces

Featuring ceramic, porcelain, marble,
stone, glue and tools

Our **3DStoneTile&Pavers** shop and warehouse at **27-31 Ferry Rd, West End** is a design source for indoor tiles in porcelain, ceramic and stone. Here you will find something different from what is found in the major chain tile shops. You will also deal with trade prices instead of inflated retail prices.

3DStoneTile&Pavers also stock many different types of tile glue, additives, waterproofing, grouts, and a professional range of tilers tools.

04 Stone Wall Cladding

Aspen

● Basalt Planks

● Black Quartz

● Gold Cream Sparkle

● Laguna

Stone Wall Cladding

Dramatic visual appeal using texture

Stone Wall Cladding creates texture and a natural feel to an otherwise plain wall. Being natural, it will endure the test of time. Best of all, **3D StoneTile & Pavers** supplies all of these stone walls in a sawn back format, which allows quick installation, while still having the look of a true stonemasons wall. This, along with the ready made corners, will give the solid look of quality only natural stone can give.

● Travertine Crema Split Face

● Black Quartz Fine Edge

● Aspen

Weathered Granite

Our product range is more extensive than what is shown in this brochure. Natural stone may have shade, colour and texture variation from samples shown.

● Ranch

● Bali

● Toffee Ashlar

06 Island Sands Granite

● 600 x 600 mm

● Wet look

Island Sands Granite

Strength and beauty combined

Island Sands Granite has a natural beauty, using a similar palette to sandstone but with the added strength and density of granite. The warm tones fit into outdoor lifestyle perfectly. There is medium variation in colour from tile to tile, which gives it a natural ambience, and is suitable to most situations including pools, paths and driveways.

Spillover vertical wall

Our product range is more extensive than what is shown in this brochure. Natural stone may have shade, colour and texture variation from samples shown.

75 mm square edge coping

Ash Grey Granite

Modern and durable

Ash Grey Granite is a hard-wearing stone, with only slight shade variation between pieces. It is an excellent all-round colour. It is not too light and glary, or too dark and hot. Ash Grey Granite gives a modern, clean look to any area.

● 600 mm long, 20 mm bullnose

● 75 mm drop down

● With Black Spanish Glass waterline

Used as coping and waterline

Silver Travertine

Create something unique

Silver Travertine has the beautiful veining of marble, but with the strength and density that only Travertine can deliver. The tumbled and unfilled finish gives a non-slip, antique look that is timeless. It has a silver grey palette with creamy tones intertwined, to create a stunning look wherever it is used.

● 12 mm tumbled edge

● French pattern

● 600 x 400 mm format

● Tumbled unfilled

● 30 mm tumbled square edge coping

Crema Travertine 09

● With Blue Glass waterline

Crema Travertine

A modern day classic

Crema Travertine is an all-time favourite paving material, being used throughout history on many ancient buildings. It has lovely warm tones with shading variation. It gives an overall light finish, but with a dense low-maintenance surface. It is supplied in a tumbled unfilled finish for a non-slip finish outdoors.

Our product range is more extensive than what is shown in this brochure. Natural stone may have shade, colour and texture variation from samples shown.

406 x 406 mm

10 Laguna Sandstone

● 600 x 600 mm

● Natural split surface

● 30 mm bullnose

Laguna Sandstone

Resort style

Laguna Sandstone is one of our most popular paving materials because of the warm colour variation with an overall light look. Your place will feel like a resort. It is available in many different sizes and profiles to fit in with your project.

600 x 600 mm tile with 600 x 350 mm coping —●

Our product range is more extensive than what is shown in this brochure. Natural stone may have shade, colour and texture variation from samples shown.

75 mm square edge

Linen Honed Sandstone

Understated elegance

Linen Honed Sandstone has an understated elegance with a beautiful smooth honed surface. The subtle colour variation in the finished product creates a very light elegant look. We also supply this stone with a very slight bevelled edge to reduce chipping so you will have a perfectly finished job.

● Custom shaped coping

● With Dark Blue mosaics and Toffee cladding

With Weathered Granite cladding

Adriatic Beach Limestone

Features the unique texture of stone

Adriatic Beach Limestone is the classic stone look with variation from tile to tile and a dense natural split surface. It will always look the part. It is available in a huge range of sizes and profiles to suit every job. Adriatic Beach Limestone is a unique look that will truly inspire you.

● Random flagstones with square tile balcony

● 600 x 400 mm driveway pavers

● Rectangular format with black glass

● With sealer and Black Quartz Fine Edge cladding

Black Sea Limestone

Enduring quality, timeless colour

Black Sea Limestone has a beautiful smooth feel, with a natural split surface. It is a dense, low maintenance limestone, suitable for many situations including pools, paving and walls. It is also available in many different sizes and profiles. Black Sea Limestone naturally fades as it ages, or can be kept dark and even, with the correct sealer.

Wet look

Our product range is more extensive than what is shown in this brochure. Natural stone may have shade, colour and texture variation from samples shown.

● Aged Black Sea Limestone

14 Claypavers

● Regal Gold

● Regal Gold 300 x 300 mm

● Regency Gold

● Regal Tan

● Regal Sand with Mocha

● Cobble Bronze with Mocha

● Regal Gold 400 x 400 mm

Claypavers

Long lasting, locally made

Claypavers from **3DStoneTile&Pavers** will stand the test of time. The warm colours of claypavers work harmoniously with our landscape, to create a unique look that will last. We supply a huge range in all size formats to suit your job. Our trade price on claypavers is all year round on first and second grade pavers.

● Black Sea split edge

● Black Sea tumbled

● Ash Grey tumbled

● Cobble Adriatic Beach

Synthetic Grass

Low maintenance, natural look

Synthetic Grass comes in all different qualities. 3DStoneTile&Pavers supplies top quality Australian made grass that looks like the real thing, and comes with a seven year warranty. The difference from the real thing? No mowing, weeding or watering!

Before

After

Deep Blue mosaic with Ash Grey paving

Swimming Pool Mosaic Tiles

The premium finish for your pool

Swimming pool mosaic tiles offer a finish like no other for your swimming pool. It is the longest lasting finish that can last decades, and also looks the best and is the smoothest on your family's feet. **3D Stone Tile & Pavers** offers a huge range of mosaics in nearly every colour imaginable, made from either glass or glazed porcelain.

We are always adding to our range, so call us to see the full range. If we come out and see you for your coping, you can choose a mosaic tile at the same time for your pool or waterline, that works in with the colours of the coping.

● Sample boards

● Spanish Black Glass with Ash Grey coping

● Antique White mosaic
