

Application for Venue Hire

For bookings please use the contact details below

Phone: 07 4721 5251 Email: info@tmml.org.au Address: 42-68 Palmer St. South Townsville QLD 4810

Please read the terms and conditions of hire below carefully. We are a not-for-profit organisation and we value both your patronage and your assistance in looking after the Museum during your event.

1. Preparing for the event

Food, drinks, hire equipment etc. may be stored in the Museum kitchen or BBQ fridge on the day of the event or the day before the event during normal Museum opening hours with prior arrangement. Access to the Museum at other times needs to be arranged with the Managing Curator or Event Supervisor. The Museum management recommends that the hirer visits the museum to inspect and verify their event's requirements. In the case of a large event, you need to register it with City Council and/or QLD Police.

2. Catering

We recommend using Michel's Catering and Events (0437 309 323), who are located close to the Museum. However, if you have your own preference, please provide all contact details prior to the event as the caterer may need to visit the venue prior to the event. We do not supply alcohol or have a Liquor Licence but you are permitted to bring your own alcohol. You require a Liquor Licence when alcohol will be sold.

3. Rubbish and Leftover Food

Food scraps, drink containers, decorations or any other rubbish must be appropriately wrapped up and put in the wheelie bins provided after your event and prior to the Museum opening the following day. Leftover food is to be removed from the museum prior to the Museum opening the following day. Failure to do so will incur further charges.

4. Noise levels in Park area

You must ensure the event does not cause a nuisance. In particular, you will be required to ensure that noise levels (amplified music in particular) are maintained at all times within the levels prescribed by all relevant laws and regulations. The Queensland Police can shut down music at any time if complaints are made by local residents. Loud amplified music should cease at 10pm and the Museum's Event Supervisor can enforce this if necessary. Any packing up activities after the event should also comply with regulatory noise levels.

5. Music at Museum buildings

No live music is allowed. Other amplified music is limited to the deck or in the BBQ area.

6. Smoking

Smoking is not permitted inside Museum buildings or on the deck. Please use bin provided at the BBQ area.

7. Bubbles or smoke machine, sparklers, confetti, candles

These items are not permitted. Rose petals are permitted.

8. Children

Children must be supervised at all times.

9. Furniture and Equipment Available

1 refrigerator, 5 tables, 35 chairs, 1 urn, 1 food warmer, 1 microwave, 1 bain-marie and 1 lectern.

Please inform the Museum of any requirements when applying for the hire.

These items must be returned to their original location in the Museum kitchen in a clean condition.

10. Clean up and packing up

Please leave the event venue clean and tidy as stated above.

Should any area need professional cleaning, the cost will be your responsibility.

Charges may apply for attendance by Museum staff outside normal opening hours.

11. Time Limit

All events **MUST** finish at the time specified on the application form or incur additional hourly charges. Events that continue after midnight will incur an additional charge of \$500.00.

12. Damages

Any damage to Museum property during your event must be paid for by the hirer. Please note that the park has an irrigation system. A plan showing the location of the lines and sprinkler heads will be provided upon request. In order to prevent damages to the system, you are advised to use sand bags instead of pegs when erecting structures such as gazebos.

13. Cancellation

Should you cancel the event, you may be refunded in case hire fees have already been paid.

14. COVID-19

You are reminded to have a COVID-Safe plan for the event in place, approved by the QLD health authorities pursuant to the latest directions of the Chief Medical Officer. Please provide a copy of the plan to the Museum.
