

A man and a woman are walking on a dirt path in a rural landscape. The man is wearing a blue and white checkered shirt and khaki pants, and the woman is wearing a red t-shirt and green pants. They are both smiling and looking towards the camera. The background shows a line of trees and a clear sky.

Training Pathway for Ophthalmology

College: The Royal Australian and New Zealand College of Ophthalmologists (RANZCO)

The Training Program:

1. Basic Training: 2 years full-time equivalent.
2. Advanced Training: 2 years full-time equivalent.
3. Final Year Training: 1 year full-time equivalent. Final year training can be undertaken in Australia, NZ or overseas, preferably an institution other than that in which the Trainee completed their basic and Advanced Training. Trainees must obtain the Censor-in-Chief's approval for their final year program in advance of starting the year.
