

Accident Claims or Public Liability Claims

These arise when you have an accident on a public or private property and the owner has not taken reasonable care for your safety.

Public Liability claims can include:

- 'Slip and fall' injuries
- Accidents at public or private property
- Animal attacks
- Recreational and sporting injuries
- Defective product claims

Compensation can include:

- Money for past and future medical expenses
- Rehabilitation and pharmaceutical expenses
- Loss of income
- Care assistance
- Pain and suffering
- Loss of enjoyment of life

Time Limits

There is a strict 3-year time limit that applies to common law claims.

It is very important to see a lawyer as soon as possible so that your legal rights can be protected.

Fees

We don't charge fees unless we win your case. When we win your case, our fees are reasonable.
