

Cairns Marlin Marina: *the heart of the tropics*

Baby blue waters innocently hide a coral wonderland teeming with life; heritage-listed rainforests tumble down mountains to meet pristine shorelines; and small islands are scattered like rolled dice awaiting a lucky discoverer.

Tropical Far North Queensland is unlike any other Australian coastal destination. Vast and uncrowded, you can explore the most northern section of the World Heritage-listed Great Barrier Reef and witness incredible coral spawning near Opal Reef, swim with friendly Minke whales near Lizard Island or dive at spectacular sites at Ribbons Reef. It's a place to immerse yourself for as little or as long as you like, content in the knowledge that when you want to come up for air, the world-class Cairns Marlin Marina is just nearby.

Providing 261 berths, the marina is a colourful mix of Reef Fleet tour operators, a game fishing fleet, the local yacht

club, adventure speed boats and a floating fresh seafood restaurant.

The jewel in the crown is the sought-after Sailfish Quay which caters exclusively to superyachts up to 60m in length inside a floating pontoon, or 140m on the outside fixed wharf. Recognised as the superyacht hub of Australia, the Cairns Marlin Marina has the friendly staff to match – with decades of collective experience in the superyacht industry.

And the marina setting is beautiful.

Enter Trinity Inlet and be welcomed by a stunning vista of mountains cradling the city of Cairns. Pull up at the Port and moor near the vibrant CBD where you can take in the many restaurants, nightclubs, shopping, the casino and a range of hotels.

Spend time along the Cairns foreshore's kilometres of parks, picnic and exercise facilities, the famous Esplanade swimming lagoon, or the lively street cafes and iconic Rusty's Markets.

Further ashore, the region offers excellent local attractions making it a favourite destination for crew: from tropical beachside getaways, rainforest hideaways or spectacular volcanic lakes and waterfalls on the Tableland, to action and adventure experiences such as white-water rafting, rainforest bungee jumping and rock climbing.

Services and International Access

Berthing at the Cairns Marlin Marina also offers access to three world-class shipyards and a bustling refit and marine district just a five minute drive away. An international airport is only 10 minutes away, with direct flights to Singapore, NZ, Japan, PNG, Indonesia and China.
