**Keen for entertainment?** Explore great restaurants and bars along the boardwalk facing the Marina and down to the shipping wharves. Head into the CBD or along the Esplanade to find a vibrant nest of clubs, bars and cheap eats.

**Want to burn off energy?** The foreshore Esplanade offers 2.5km of walking and running tracks, free exercise equipment, Volley Ball courts, gas barbecues and the famous swimming Lagoon.

A short drive north and you can try Go-Kart racing, wake-boarding or bungy jumping in the rain forest.

Further afield, the region offers excellent local attractions such as tropical beachside getaways, white water rafting, and spectacular volcanic lakes, waterfalls and swimming holes on the Tablelands.

**Want to stock up?** We know some great suppliers of tropical fruits and vegetables and specialty and luxury foods. The colourful Rusty's Markets is also a local must-do from Friday to Sunday every week.

**Anything else – from medical services to salsa dancing – just ask!**
