“

I enjoy working at PVW Partners for its welcoming environment and supportive staff, and the Undergraduate program gives me a well-rounded accounting experience through both university study and practical work

”

Zoe Leaney

Team Assistant

JCU Student started in 2025
as an undergraduate

Jack Valentine

Financial Management

JCU Student started in 2025 as
an undergraduate

“

Starting my career at PVW while studying has given me a head start—working with real clients alongside my JCU studies, supported by flexible mentorship, has made learning practical and rewarding

”

Lauren Watts

Tax and Accounting

Undertook internship in 2025
then joined as a Graduate 2026

“

PVW's internship exposed me to different areas, helping me find my passion and understand that accounting is about knowing clients' businesses to deliver meaningful, lasting results.

”
