Personal Isolation Safety Kit

- 🔒 High quality padlock bodies available in 8 colours with a choice of 20 key head colours ensuring instant recognition by colour or name.
- 🔒 Restricted key systems which satisfies isolation padlocks standards preventing unauthorised keys being cut.
- 🔒 Each padlock can be personalised with company name/staff member details offering easy identification on site.
- 🔒 Durable canvas belt pouch which can hold up to 6 padlocks with 1 access key on a retractable key ring ensuring your key is secure and on hand at all times.
- 🔒 Immediate Lost key replacement.
- 🔒 Australian designed by our in house engineer, with local assembly resulting in minimal lead time.
