**When you want to get serious
about stopping people from
loitering around your premises**

mosquito

**A simple, safe and benign method of preventing
vandalism and group anti-social behaviour**

The Mosquito Anti-Vandal System is proven to deter loiterers based on emitting a specific high frequency sound that can be heard by up to 90% of people aged 13-25, for up to 40 metres from the base unit.

This does not affect younger children or animals.
