

RUSWIN

INTEGRATED SECURITY SYSTEMS

Security Specialists – Protecting People, Property and Privacy

The Ruswin Group is an ISO 9001 quality certified organisation employing approximately 150 people who are dedicated to providing quality products, services and solutions for all your security needs.

We're headquartered in Townsville, Queensland. In conjunction with our Mount Isa and Rockhampton branches, we work together to service the entire north, west and central Queensland areas. Our international locations include Papua New Guinea (PNG) and Indonesia. This spread of branches and locations allows us to travel far and wide to reach some of the most remote and isolated locations to ensure your needs are met.

What Can Ruswin Do?

At Ruswin, we bring together mechanical and electronic security systems, alarm monitoring and response, and criminal history/background checks – all this via a combination of physical retail shops, online stores and a large in-the-field technical team for projects and services.

Communication is the first step in finding a solution to your security and safety needs. From a simple key being duplicated, to a complex multifaceted project requiring intense planning, our highly qualified staff work closely with you to ensure we understand what you require.

We specialise in:

- Access Control Systems / Security Management Systems
- Restricted Key Systems
- CCTV and Video Management Systems
- Automated Gates and Barriers
- Security Alarm Systems and 24/7 A1 Graded Monitoring
- Fast Police Checks / Background Checks (www.fastpolicechecks.com.au)

If you own or run a business, you need Ruswin. Our security specialists provide comprehensive security solutions for businesses of all shapes, sizes and industries. From traditional locksmithing to advanced electronic security, we tailor the right security solutions and services for you.

Why Use Ruswin?

Ruswin have a technical base capable of providing the highest level of professional client service. We are members of the Master Locksmiths Association (MLA), the Australian Security Industry Association (ASIAL) and hold ISO 9001 certification.

Our team of security specialists have been protecting Queensland businesses and families for more than 40 years. From securing a home and car with appropriate locks and keys, to installing surveillance cameras and electric perimeter security fencing for a multinational business, we take care of your every security need.

The Ruswin team is driven by four key values:

- Trustworthiness
- Attention to detail
- Respect; and
- Clear communication.

When you partner with us, you can expect to receive an outstanding security experience you can rely on, every time.
