

PLACE-BASED HEALTH PLANNING IN HUGHENDEN

YOU are invited to participate in a workshop!

Be part of a *community-based research* program to *design and prioritise models of care* that will positively impact acceptability, accessibility, and quality of care for the local community. The project aims to improve health service delivery in Hughenden. See the website for further details: <https://www.taahc.org.au/research/integrating-health-care-planning-for-health-and-prosperity-in-north-queensland/hughenden/>

What do you see are the health needs of our community?
