Anticipated supervisor/s (Title, first name, last name)

Do you intend to utilise your Fellowship FTE to complete a specific milestone (e.g. completion of a literature review, writing of thesis chapters) relating to your research qualification candidature? *

If yes, please provide details of the milestone you will complete as part of your Fellowship

Research Mentor

* indicates a required field

Research Mentor

Emerging Clinician Researcher Fellowship applicants must nominate at least one research mentor. A research mentor is a person who has significant experience and track record in the conduct of research relevant to the applicant's proposed research project. Research Mentors must meet the eligibility requirements for the TAAHC Clinician Researcher Experienced Fellow category (but are not required to be applicants to this scheme). The research mentor is expected to provide active management and guidance through all stages of the Fellowship

Research mentor name *

Must be no more than 50 words.

Research mentor position *

Must be no more than 50 words.

Research mentor organisation *

Must be no more than 50 words.

Statement of Support *

Attach a file:

TAAHC Clinician Researcher Fellowship - 2021 Round

Form Preview

Please upload a statement of support from your Research Mentor. The statement should indicate the agreement to act as Research Mentor for your Fellowship

Project Summary

* indicates a required field

Project Summary

Project Title *

Must be no more than 20 words.

Short project description *

Word count:

Must be no more than 100 words.

Provide a short description of your project - what are you out to do?

Main project location *

The main location where this research will take place

Other project locations

Locations other than the main project location where the research will take place

Start Date *

Must be a date.

Proposed Fellowship start date

End Date *

Must be a date.

Must be no more than 12 months from proposed start date

Fellowship Salary

FTE commitment

FTE commitment to the Fellowship (maximum 0.2FTE)

Base Salary *

\$

TAAHC Clinician Researcher Fellowship - 2021 Round

Form Preview

Must be a dollar amount.

The base salary (your salary before tax) for the FTE commitment given above. E.g. if you are a Health Practitioner, classification Level HP5.2 with an annual salary of \$126,105 p.a and are committing 0.2FTE to the Fellowship for 12 months, the salary amount indicated should be: $\$126,105 \times 0.2 = \$25,221$

On-costs *

\$

Must be a dollar amount.

Please indicate the on-cost amount for the base salary amount given above. On-costs are on top of your base salary and are calculated by your institution. They include items such as leave and payroll tax. They are typically around 30%. Your institution will need to provide you with the on-cost percentage specific to your employment. See the Scheme Funding Rules for further information regarding allowable on-cost expenditure.

Total Salary Amount Requested *

\$

This number/amount is calculated.
Base salary plus on-costs

Track record

---	----------------------------------	---	---------------------------	--------------------	-----------------

Publications

Please provide details of your top five most significant publications, including a statement highlighting the significance of each. You should provide full details of the publication, i.e. Author list, Journal, Title, Year, Vol/Issue, Page and DOI if available.

Where there is no response that can be provided to a question, please indicate 'not applicable'.

In line with the Fellowship scheme Selection Criteria, it is anticipated that Emerging Clinician Researcher Fellowship applicants may indicate 'not applicable' to one or more of the below questions.

Top five significant publications *

Word count:

Must be no more than 400 words.

Clinical Impact of Research

Outline how your research activities (including audit and evaluation activities) to date have contributed to improved clinical practice, policy change and/or better health outcomes

Where there is no response that can be provided to a question, please indicate 'not applicable'.

In line with the Fellowship scheme Selection Criteria, it is anticipated that Emerging Clinician Researcher Fellowship applicants may indicate 'not applicable' to one or more of the below questions.

Clinical impact of research *

Word count:

Must be no more than 400 words.

Other outputs and achievements

TAAHC Clinician Researcher Fellowship - 2021 Round

Form Preview

Please detail any other relevant outputs or achievements. This might include invited speaker invitations, awards and prizes, patents, research leadership (including supervision and mentoring) and community engagement activities.

Other outputs and achievements

Word count:

Must be no more than 250 words.

Career disruption

A career disruption is considered to be a prolonged interruption to an applicant's capacity to work due to pregnancy and childbirth, major illness and carer responsibilities (including parental leave). The period of career disruption may be used to determine eligibility and to allow for inclusion of additional track record information for assessment purposes.

Please provide details of any periods of career disruptions of 3 months or more over the last five years

Word count:

Must be no more than 250 words.

Outline any significant academic, clinical responsibilities or industry work placements that impacted on your ability to conduct research over the last five years

Word count:

Must be no more than 250 words.

Research Vision

Detail your clinical research career vision for the next four years, relative to your current career stage. This may include future research topics, plans to attract additional research funding and strategy for building a research leadership role

Research vision *

Word count:

Must be no more than 500 words.

Fellowship Project and Plan

* indicates a required field

Background and aims

Outline relevant background, supported by literature review where relevant, and the specific research question *

Word count:

Must be no more than 400 words.

Alignment with TAAHC Research Themes

Describe how the project aligns with TAAHC Research Themes. The TAAHC Research Themes can be found on the TAAHC website: <https://www.taahc.org.au/research/> *

Word count:

Must be no more than 150 words.

TAAHC Research Themes: Service delivery to regional, rural, remote and Aboriginal and Torres Strait Islander populations; Innovative health workforce models; Non-communicable diseases with high regional prevalence; Infectious diseases and biosecurity

Approach and Methods

Detail relevant technologies, data collection, statistical methods, justify participant numbers (e.g. power analysis) *

Word count:

Must be no more than 400 words.

Outcomes and Impact

TAAHC Clinician Researcher Fellowship - 2021 Round

Form Preview

Outline how the fellowship research will result in better healthcare outcomes for Queenslanders, including plans for translation of the fellowship research into clinical practice *

Word count:
Must be no more than 400 words.

Consumer Involvement

Describe consumer involvement in the research project design and any ongoing consumer involvement in the research activities including any specific roles of consumer representative/s in the research project

Word count:
Must be no more than 100 words.

Project Deliverables

Milestone Number	Time to complete	Description (what will be achieved)
Milestone 1, Milestone 2, etc	Number of months from commencement	Please note for Emerging Clinician Research Fellowship applications only the following may be considered as milestones: gaining ethics and governance approval; drafting publications or thesis chapter; writing grant applications; writing a literature review Must be no more than 100 words.

Aboriginal and Torres Strait Islander Peoples

* indicates a required field

Aboriginal and Torres Strait Islander Peoples

Does this project specifically relate to the health of Aboriginal and/or Torres Strait Islander peoples or include distinct Aboriginal and/or Torres Strait Islander populations, biological samples or data? To qualify as Aboriginal and Torres Strait Islander health research, at least 20% of the research effort and/or participants must relate to Aboriginal and Torres Strait Islander health. *

- Yes
- No

TAAHC Clinician Researcher Fellowship - 2021 Round

Form Preview

National Health and Medical Research Council Indigenous Research Excellence Criteria

Applicants whose research specifically relates to the health of Aboriginal and/or Torres Strait Islander peoples or includes distinct Aboriginal and/or Torres Strait Islander populations, biological samples or data must address the following National Health and Medical Research Council Indigenous Research Excellence Criteria

Community engagement - Outline how the research and potential outcomes are a priority for Aboriginal and Torres Strait Islander communities with relevant community engagement by individuals, communities and/or organisations in conceptualisation, development and approval, data collection and management, analysis, report writing and dissemination of results.

Word count:

Must be no more than 200 words.

Benefit - outline how the potential health benefit of the project is demonstrated by addressing an important public health issue for Aboriginal and Torres Strait Islander peoples. This benefit can have a single focus or affect several areas, such as knowledge, finance and policy or quality of life. The benefit may be direct and immediate, or it can be indirect, gradual and considered.

Word count:

Must be no more than 200 words.

Sustainability and transferability - outline how the results of the project have the potential to lead to achievable and effective contributions to health gain for Aboriginal and Torres Strait Islander peoples, beyond the life of the project. This may be through sustainability in the project setting and/or transferability to other settings such as evidence-based practice and/or policy. In considering this issue the proposal should address the relationship between costs and benefits.

Word count:

Must be no more than 200 words.

Building capability - outline how Aboriginal and Torres Strait Islander peoples, communities and researchers will develop relevant capabilities through partnerships and participation in the project

Word count:

Must be no more than 200 words.

Certification

* indicates a required field

Certification

A letter of support from the nominated Lead Organisation confirming their agreement to act as Lead Organisation must be provided. Please upload the letter of support below. *
