Lead Organisation Details

* indicates a required field

Lead Organisation *

Other:

Lead Organisations must ensure that each research activity is carried out in an ethical, responsible, diligent and competent manner and in accordance with the approved research proposal

Project Summary

* indicates a required field

Project Summary

Project Title *

Must be no more than 20 words.

Short project description *

Provide a short description (100 words recommended) of your project - what are you out to do?

Main project location *

The main location where this research will take place

Other project locations

Locatiaons other than the main project location where the research will take place

Start Date

Must be a date.

Proposed start date

End Date

Must be a date.
Proposed end date. Must be no more than 12 months from Start Date

Total Amount Requested

$

Must be a dollar amount.
What is the total financial support you are requesting in this application?

Engagement

* indicates a required field

Engagement Details

What is the duration of Research Assistance required? (Maximum duration 12 months) *

Estimated FTE of engagement? *

Estimated cost of research assistance (salary and on-costs) *

$

Must be a dollar amount.

Can the assistance be provided remotely? *

Research Assistance Request

* indicates a required field

Project Summary

Provide a brief outline of the Project or Program for which you are seeking Research Assistance *

Word count:
Must be no more than 200 words.

Alignment with TAAHC Research Themes

Describe how the project aligns with TAAHC Research Themes. The TAAHC Research Themes can be found on the TAAHC website: https://www.taahc.org.au/research/ *

Word count:
Must be no more than 100 words.
TAAHC Research Themes: Service delivery to regional, rural, remote and Aboriginal and Torres Strait Islander populations; Innovative health workforce models; Non-communicable diseases with high regional prevalence; Infectious diseases and biosecurity

Research Assistance Skills Required

Outline the Research Assistant skills that you are seeking to support the above Project or Program *

Word count:
Must be no more than 300 words.

Demonstrated need

Outline why you require access to a Research Assistant, including why this assistance cannot be sought from an alternative funding source *

Word count:
Must be no more than 250 words.

Project Deliverables

With reference to the project summary provided above, list the key tasks/deliverables that will be completed by the Research Assistant *

Word count:
Must be no more than 400 words.

Aboriginal and Torres Strait Islander Peoples

* indicates a required field

Aboriginal and Torres Strait Islander Peoples

Does this project specifically relate to the health of Aboriginal and/or Torres Strait Islander peoples or include distinct Aboriginal and/or Torres Strait Islander populations, biological samples or data? To qualify as Aboriginal and Torres Strait Islander health research, at least 20% of the research effort and/or participants must relate to Aboriginal and Torres Strait Islander health. *

○ Yes
○ No

National Health and Medical Research Council Indigenous Research Excellence Criteria

Applicants whose research specifically relates to the health of Aboriginal and/or Torres Strait Islander peoples or includes distinct Aboriginal and/or Torres Strait Islander populations, biological samples or data must address the following National Health and Medical Research Council Indigenous Research Excellence Criteria

Community engagement – Outline how the research and potential outcomes are a priority for Aboriginal and Torres Strait Islander communities with relevant community engagement by individuals, communities and/or organisations in conceptualisation, development and approval, data collection and management, analysis, report writing and dissemination of results.

Word count:
Must be no more than 200 words.

Benefit – outline how the potential health benefit of the project is demonstrated by addressing an important public health issue for Aboriginal and Torres Strait Islander peoples. This benefit can have a single focus or affect several areas, such as knowledge, finance and policy or quality of life. The benefit may be direct and immediate, or it can be indirect, gradual and considered.

Word count:
Must be no more than 200 words.

Sustainability and transferability - outline how the results of the project have the potential to lead to achievable and effective contributions to health gain for Aboriginal and Torres Strait Islander peoples, beyond the life of the project. This may be through sustainability in the project setting and/or transferability to other

settings such as evidence-based practice and/or policy. In considering this issue the proposal should address the relationship between costs and benefits.

Word count:
Must be no more than 200 words.

Building capability – outline how Aboriginal and Torres Strait Islander peoples, communities and researchers will develop relevant capabilities through partnerships and participation in the project

Word count:
Must be no more than 200 words.

Certification

* indicates a required field

Certification

A letter of support from the nominated Lead Organisation confirming their agreement to act as Lead Organisation must be provided. Please upload the letter of support below. *
