### Lead Organisation Details

\* indicates a required field

#### Lead Organisation \*

Lead Organisations must ensure that each research activity is carried out in an ethical, responsible, diligent and competent manner and in accordance with the approved research proposal

### Project Summary

\* indicates a required field

#### Project Summary

##### Project Title \*

Must be no more than 20 words.

##### Short project description \*

Word count:

Must be no more than 100 words.

Provide a short description of your project - what are you out to do?

##### Main project location \*

The main location where this research will take place

##### Other project locations

Locations other than the main project location where the research will take place

##### Start Date \*

Must be a date.

Proposed project start date

##### End Date \*

Must be a date.

Proposed project end date

##### Total Amount Requested \*

\$

Must be a dollar amount.

What is the total financial support you are requesting in this application?

## Selection Criteria

\* indicates a required field

Regional significance of health problem addressed

**Outline relevant background, supported by literature review where relevant, and the specific research question \***

Word count:

Must be no more than 200 words.

Alignment with TAAHC Research Themes

**Describe how the project aligns with TAAHC Research Themes. The TAAHC Research Themes can be found on the TAAHC website: <https://www.taahc.org.au/research/> \***

Word count:

Must be no more than 150 words.

TAAHC Research Themes: Service delivery to regional, rural, remote and Aboriginal and Torres Strait Islander populations; Innovative health workforce models; Non-communicable diseases with high regional prevalence; Infectious diseases and biosecurity

Approach and Methods

**Detail relevant technologies, data collection, statistical methods, justify participant numbers (e.g. power analysis) \***

Word count:

Must be no more than 700 words.

Outcomes and Impact

**Outline how the Project will be translated into policy and practice and result in improved service delivery and/or better healthcare outcomes for northern Queensland communities \***

## Form Preview

Word count:  
Must be no more than 250 words.

### Funding Pathway

**A clear and credible path towards further translation-related research is required. Describe intended future funding applications that will use the findings from this Project. Specify the funding source, approximate amount and year of application.**

\*

Word count:  
Must be no more than 250 words.

### Consumer Involvement

**Describe consumer involvement in the research project design and any ongoing consumer involvement in the research activities including any specific roles of consumer representative/s in the research project \***

Word count:  
Must be no more than 100 words.

### Project Deliverables

**List the key project research milestones and completion times. The Investigative Team will report to TAAHC during the duration of the Project on the progress in completing the milestones.**

Milestone number	Responsible Investigator/s	Time to complete	Description (what will be achieved)
E.g. Milestone 1, Milestone 2		I.e. number of months from commencement	Focus on the research project progress such as: participant recruitment numbers; data collection; interim analysis; final analysis Must be no more than 150 words.

### Track Record

**Outline the track record and expertise of each Investigator on the Project team in relation to:**

- **proposed role within the Project;**
- **productive engagement with collaborators, end-users and community/service groups;**
- **capacity to deliver high quality tangible research outcomes.**

Investigator Name	Track record and expertise
	Must be no more than 250 words.

### Budget

\* indicates a required field

#### Budget

List budget items as per the indicated headings. Insert additional rows as required. Budget items must be essential to the project.

Expenditure	\$
Personnel	\$
Equipment	
Travel	
Consumables	
Other	

#### Budget Totals

##### Total Expenditure Amount

\$

This number/amount is calculated.

#### Budget Justification

**Justify your requested budget. Budget items must be essential to the project \***

Word count:

Must be no more than 200 words.

### Aboriginal and Torres Strait Islander Peoples

# TAAHC Seed Funding 2021 Application Form

## Form Preview

\* indicates a required field

### Aboriginal and Torres Strait Islander Peoples

**Does this project specifically relate to the health of Aboriginal and/or Torres Strait Islander peoples or include distinct Aboriginal and/or Torres Strait Islander populations, biological samples or data? To qualify as Aboriginal and Torres Strait Islander health research, at least 20% of the research effort and/or participants must relate to Aboriginal and Torres Strait Islander health. \***

- Yes
- No

### National Health and Medical Research Council Indigenous Research Excellence Criteria

Applicants whose research specifically relates to the health of Aboriginal and/or Torres Strait Islander peoples or includes distinct Aboriginal and/or Torres Strait Islander populations, biological samples or data must address the following National Health and Medical Research Council Indigenous Research Excellence Criteria

**Community engagement - Outline how the research and potential outcomes are a priority for Aboriginal and Torres Strait Islander communities with relevant community engagement by individuals, communities and/or organisations in conceptualisation, development and approval, data collection and management, analysis, report writing and dissemination of results.**

Word count:

Must be no more than 200 words.

**Benefit - outline how the potential health benefit of the project is demonstrated by addressing an important public health issue for Aboriginal and Torres Strait Islander peoples. This benefit can have a single focus or affect several areas, such as knowledge, finance and policy or quality of life. The benefit may be direct and immediate, or it can be indirect, gradual and considered.**

Word count:

Must be no more than 200 words.

**Sustainability and transferability - outline how the results of the project have the potential to lead to achievable and effective contributions to health gain for Aboriginal and Torres Strait Islander peoples, beyond the life of the project. This may be through sustainability in the project setting and/or transferability to other settings such as evidence-based practice and/or policy. In considering this issue the proposal should address the relationship between costs and benefits.**
