

**BUILD  
YOUR  
FUTURE**

**WITH A CAREER  
AT TEI SERVICES**

**LOOKING FOR ANOTHER CAREER PATHWAY?**

At TEI Services, we offer an Apprentice Program starting from Grade 10 right through to leaving school.

Each day is different so you will be learning new skills and gaining hands on experience for a variety of large scale projects. We embrace technology and encourage our next generation to become actively involved in our business.

**MAKE and CREATE**

## WHO ARE WE

TEi Services (TEi) are a 55 year old local Townsville business.

TEi consistently deliver engineering solutions that are at the intersection of ingenuity and tradition. We're proudly at the forefront of engineering trends and innovations, shaping the manufacturing industry for the global opportunities and challenges of tomorrow.

TEi have been employing locals and training apprentices from our Townsville community for over 50 years.

## WHAT WE OFFER

- Get paid to learn, no HECS debt.
- Trade qualification is portable and can be a foundation for future higher education.
- At TEi Services we blend a traditional trade with advanced manufacturing tools.
- We have computer controlled machines and have introduced robots into our workshop.
- Transition from work experience, holiday work, school based apprenticeship to full time apprenticeship.
- Complete high school while working toward your trade qualification.
- Contribute to a creative team.

## THE EXTRAS

*Do you have a desire to create?*

*Think you can turn a computer model into a precision part?*

*Are you a problem solver?*

*Ever wondered about the science of welding?*

*Want to see how robots work in modern manufacturing?*

**TEi is where you can**
