Volunteer Pass Program

The Volunteer Pass Program offers members an opportunity to reduce their fees by volunteering.

This program will provide rewards to our volunteers, and put simply, all members will pay the Volunteer Pass, and if you volunteer, you will receive a reward payment.

The Volunteer Pass rate for 2020 is \$50 per registration.

(This fee will not apply to Mini Sticks, KookaRoos, Stick2Hockey U10 or Casual Masters Players)

The reduction in fees (reward) is determined by what position you take on, be it in your club or at Association level – there are some considerable savings! The \$ values and positions available can be found on the 'Volunteer Position Overview Form' on our website. To apply for a position, please complete the *General Volunteer Application Form*.

Your Volunteer Pass reward will be applied to your fee account soon after you have accepted the position offered. If your fees have already been paid, your reward will be deposited to your bank account.

In addition to the Volunteer Positions available, members are also able to apply to work 7 hours in either the THA canteen or bar during the season in payment for the \$50 volunteer pass fee. Please note applicants must be over 15 years of age to work in the canteen, and bar staff must be over 18 years of age and are to be approved by the THA Bar Co-ordinator.

Sponsorship Introduction Rebate

To receive this rebate, all you need to do is find the association a \$600 general sponsor and you will be provided a \$300 finder's fee which can be applied to your fees. Simply complete the 'Sponsorship Request Form' on our website and forward this to the Board for approval.

Once the funds have been deposited in the association's account your rebate will be forwarded to your bank account. Please ensure the company is not contacted until you have been given the green light from the Board Secretary.
