The Year Ahead

New Mini Sticks (Rookey) Program

This program will commence in March and will bring all our Rookey players together in one skill based program, managed by Townsville Hockey, and run under a collective approach by all four clubs.

Challenge Cup

The Challenge Cup will commence on 2nd March for 6 weeks with a final played on 21st March.

All teams are 9-side and will replace the existing pre-season competition.

All clubs will vie for the title of Junior Challenge Cup Champion and Senior Challenge Cup Champion.

Farewell

We would also like to say a massive thankyou to our THA Caretaker Sue Pearce for her last two years of service.

Sue is moving off the Hockey grounds, but we will still see Sue around at Hockey!

Facilities

The Facilities committee are working hard to improve the condition of the grass fields with the water restrictions that are in place.

The circles have been top dressed and both the Roos and Panthers fields also have been top dressed.

A fertilising program is also in place. Work will continue on all four fields to improve our grass coverage and field quality.
