## Tech Bench

This year we are implementing Tech Benches for the 2018 season & beyond.

We believe that this is an essential duty to provide clean, good flowing games & to relieve the added pressure off our umpires which will in turn allow them to concentrate more on the game themselves instead of having to control, team benches, spectators & control the clock for suspensions, just to name a few.

At this stage we are only providing Tech Officials for D1, D2 & U18 Games during the pre-season.

There are also incentives for people wishing to do Tech Bench. Please contact THA office for more information.

## THA REPRESENTATIVE
