

Grab a drink & refresh or build on your sailing skills with a different topic each month presented by guest speakers...

## REEF NAVIGATION

*Good Seamanship practices when navigating the Barrier Reef and passage planning on the QLD Coast*

Topics covered include;

- Navigating reefs of high islands & atolls
- Passage planning & safe ways to approach reefs
- Using radar to find a reef
- Limitations of plotters
- Ground tackle & where to “drop the pick”
- Watch keeping & who is the skipper?

And more...

Presented by Susan R. Rooms - SV “Assagasi”, Yachtmaster Instructor (ret),  
AMSA Master 5 NC, Former Principal Tradewind Sailing School,  
RTO in Commercial Maritime Training.

Susan has over 60 years sailing experience including the SW Pacific, Qld Coast and PNG so this evening is sure to be packed with tonnes of helpful information for both the experienced and novice sailor.
