

YOUR DENTAL JOURNEY AT

absolutelydental

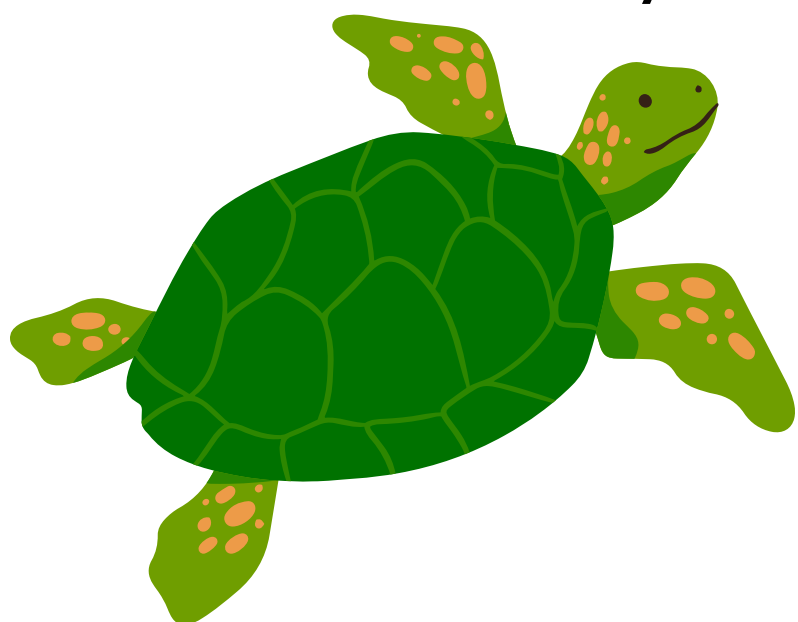

WELCOME TO ABSOLUTELY DENTAL!

Here are some pictures of the outside of our building.

This is where you will come to see us so we can check, clean and fix your teeth!

Can you see the sign that says Absolutely Dental?

WHEN YOU ARRIVE

These are pictures of
what you see when you
come inside...

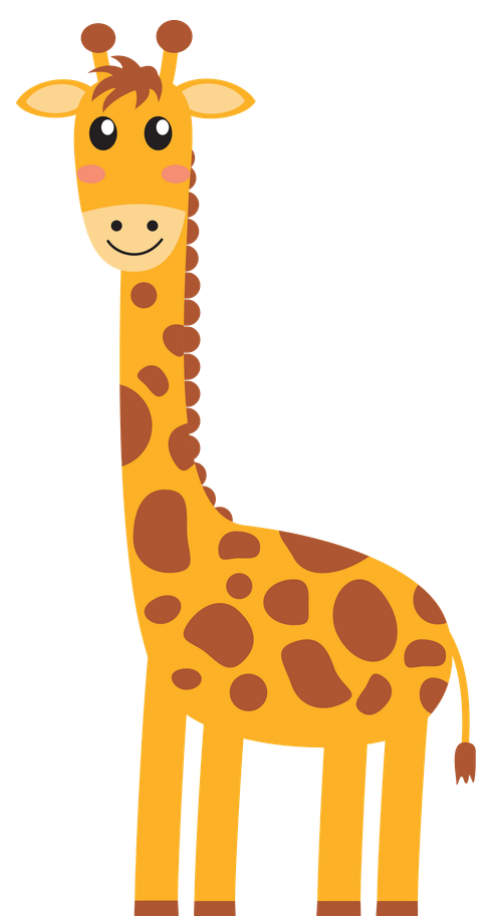

There is a desk where
you tell them your
name and say "Hello".

Inside the kids playroom is a cubby house
and lots of games and toys to play with!

Can you count how many chairs are in the
playroom?

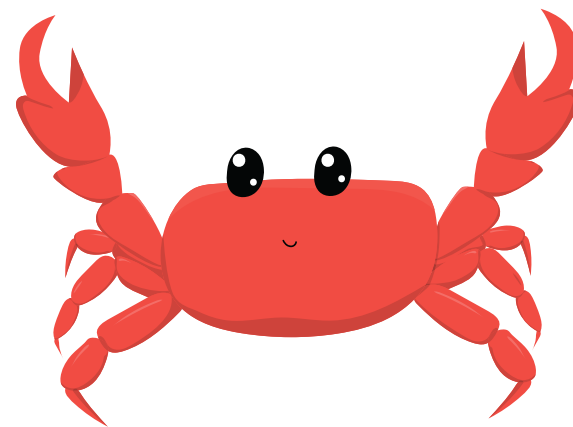

AT THE APPOINTMENT

While you are in the playroom this is where your Mum or Dad will sit to complete all of the paperwork.

Once your name is called, it's time for your journey to the Kids Rooms!

AT THE APPOINTMENT

First, we will go down a hallway past some chairs where people may be sitting and maybe you will too after your appointment.

On the right is a room for taking pictures of your teeth!

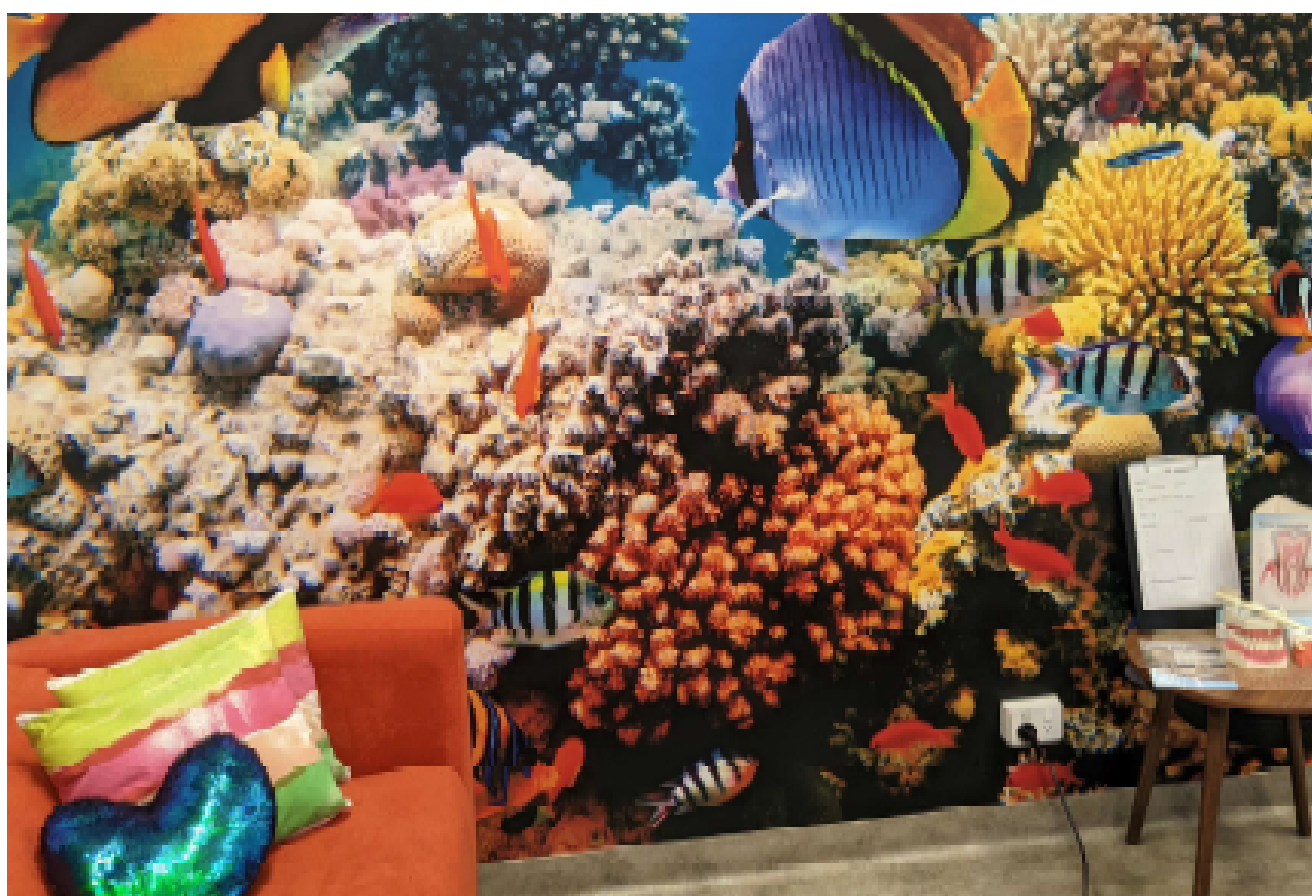

IN THE DENTAL ROOM

We have the Safari Room and the Reef Room.

This is where we will look after your teeth!

How many monkey's are hanging on the wall?

How many fish can you see?

Look at all the different toys!

At Absolutely Dental, we love supporting patients and their families.

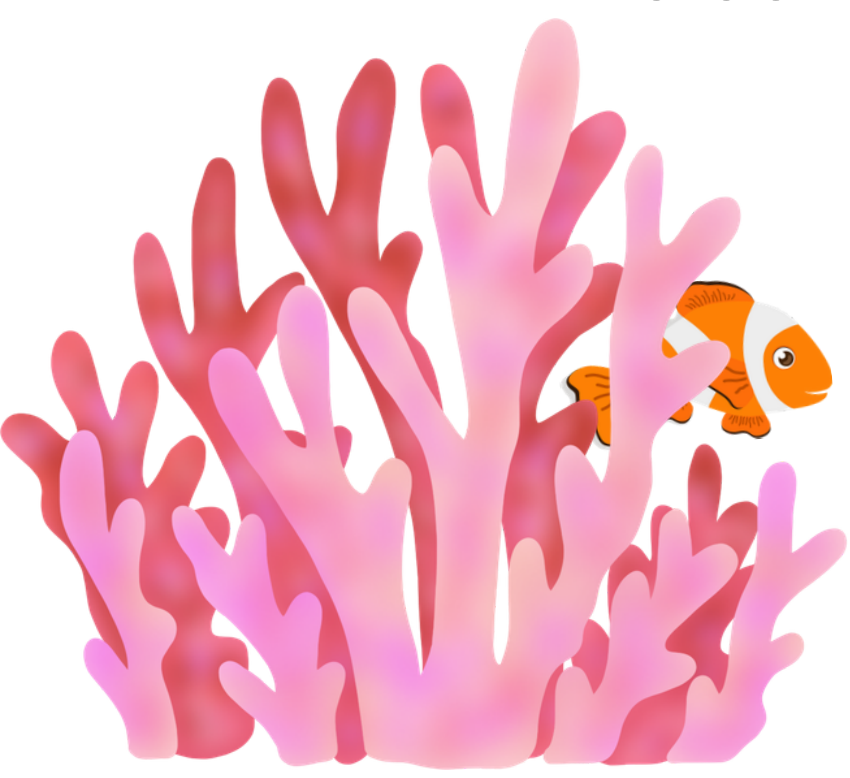

Our caring staff and state of the art facilities mean we can give you our full attention. Your comfort is our highest priority.

We cherish the trust and faith that you have placed in us to meet your child's dental needs.

Through tiny steps together and lots of patience, we can achieve great rewards!

We each have many years experience working with children and love introducing them to our beautiful themed rooms.

We cannot wait to get to know you and your children!

FOR YOUR PARENTS

At Absolutely Dental, we believe that visiting us should be a fun and exciting experience for your child! A positive approach to coming to the dentist can help your child feel comfortable, making visits enjoyable.

Our friendly team creates a welcoming space where your child can feel calm and at ease during their appointment. We aim to make their visit fun and celebrate their healthy smiles, while still learning about the importance of caring for their teeth!

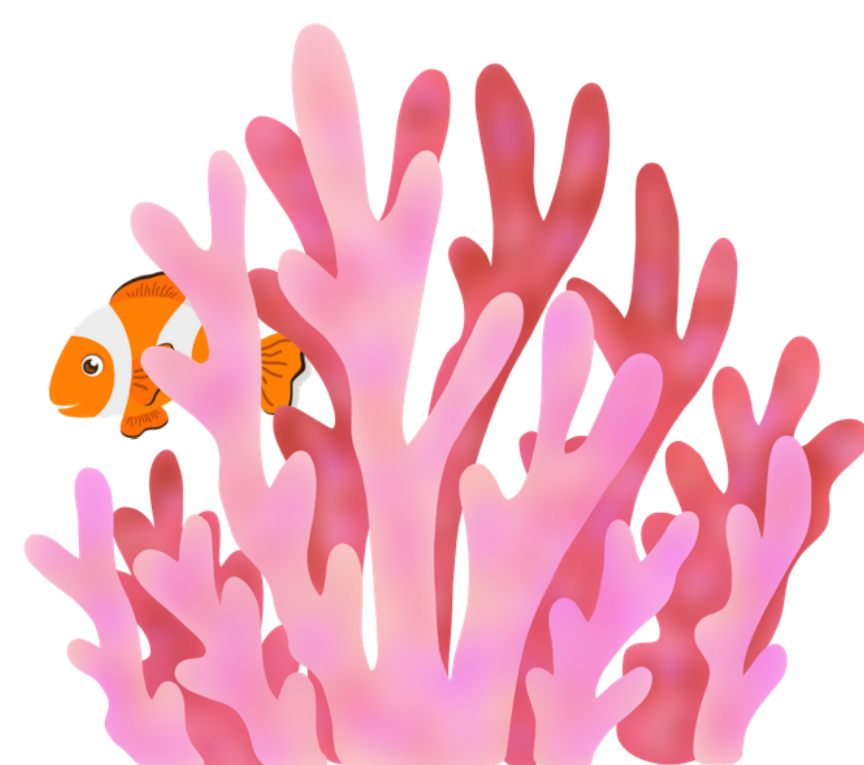

Our helpful tips:

Read books about visiting the dentist to allow your child to be familiar with the experience.

Talk about visiting the dentist in a fun way. Saying things like "Your dentist is going to count your teeth and show you how to keep them healthy and strong!"

Avoid saying words that may cause your child to worry.

By approaching your child's dental visit with confidence and enthusiasm, your child is more likely to feel the same way! A lifetime of happy and healthy smile starts with a positive dental experience!
