

selectability Training

**Set yourself up for success...
study with us!**

selectability Training wants to help set you up for a successful career in the disability and community services sectors.

Looking for a career change?

Our focus is on supporting you to graduate with the tools and knowledge you need to work in one of Australia's fastest growing sectors.

As a selectability Training student you will benefit from our innovative approach to training and workforce development.

What we can offer

Highly experienced trainers

Our trainers have years of experience underpinned by knowledge that only comes from working in the industry.

Flexible online learning

We offer a flexible and tailored approach to suit your needs so you can study at your own pace. All of our classes are available online via our easy-to-use learning management system.

Ongoing support and access to trainers

Regular access to our trainers and weekly Zoom master classes. After you graduate we provide you with 3 months' access to our industry experts for support and advice to help put theory in practice.
