POSITION YOURSELF FOR THE FUTURE

320 Pitt provides expansive 360° views of Hyde Park, Sydney Harbour, Darling Harbour and beyond.

Stunning sweeping views and an abundance of natural light will create an inspiring workspace and a beautiful outlook. Coupled with large, column-free and customisable floor-plates, 320 Pitt will provide space where your team will thrive.

NEW VISION ELEVATED OPPORTUNITY

320 Pitt will reward first-movers; those who recognise the value-proposition and the blank canvas that the building offers.

The transformation of the building and the precinct provides unparalleled opportunities for forward-thinking businesses.

MAXIMUM FLEXIBILITY

The repositioned 320 Pitt offers 28,862 sqm of contiguous office space across 29 levels, with floor connectivity and large, column-free floor plates with a central core providing your business maximum flexibility.

A separate and secure ground floor entrance also provides a point-of-difference for businesses who value a dedicated lift lobby and street access.

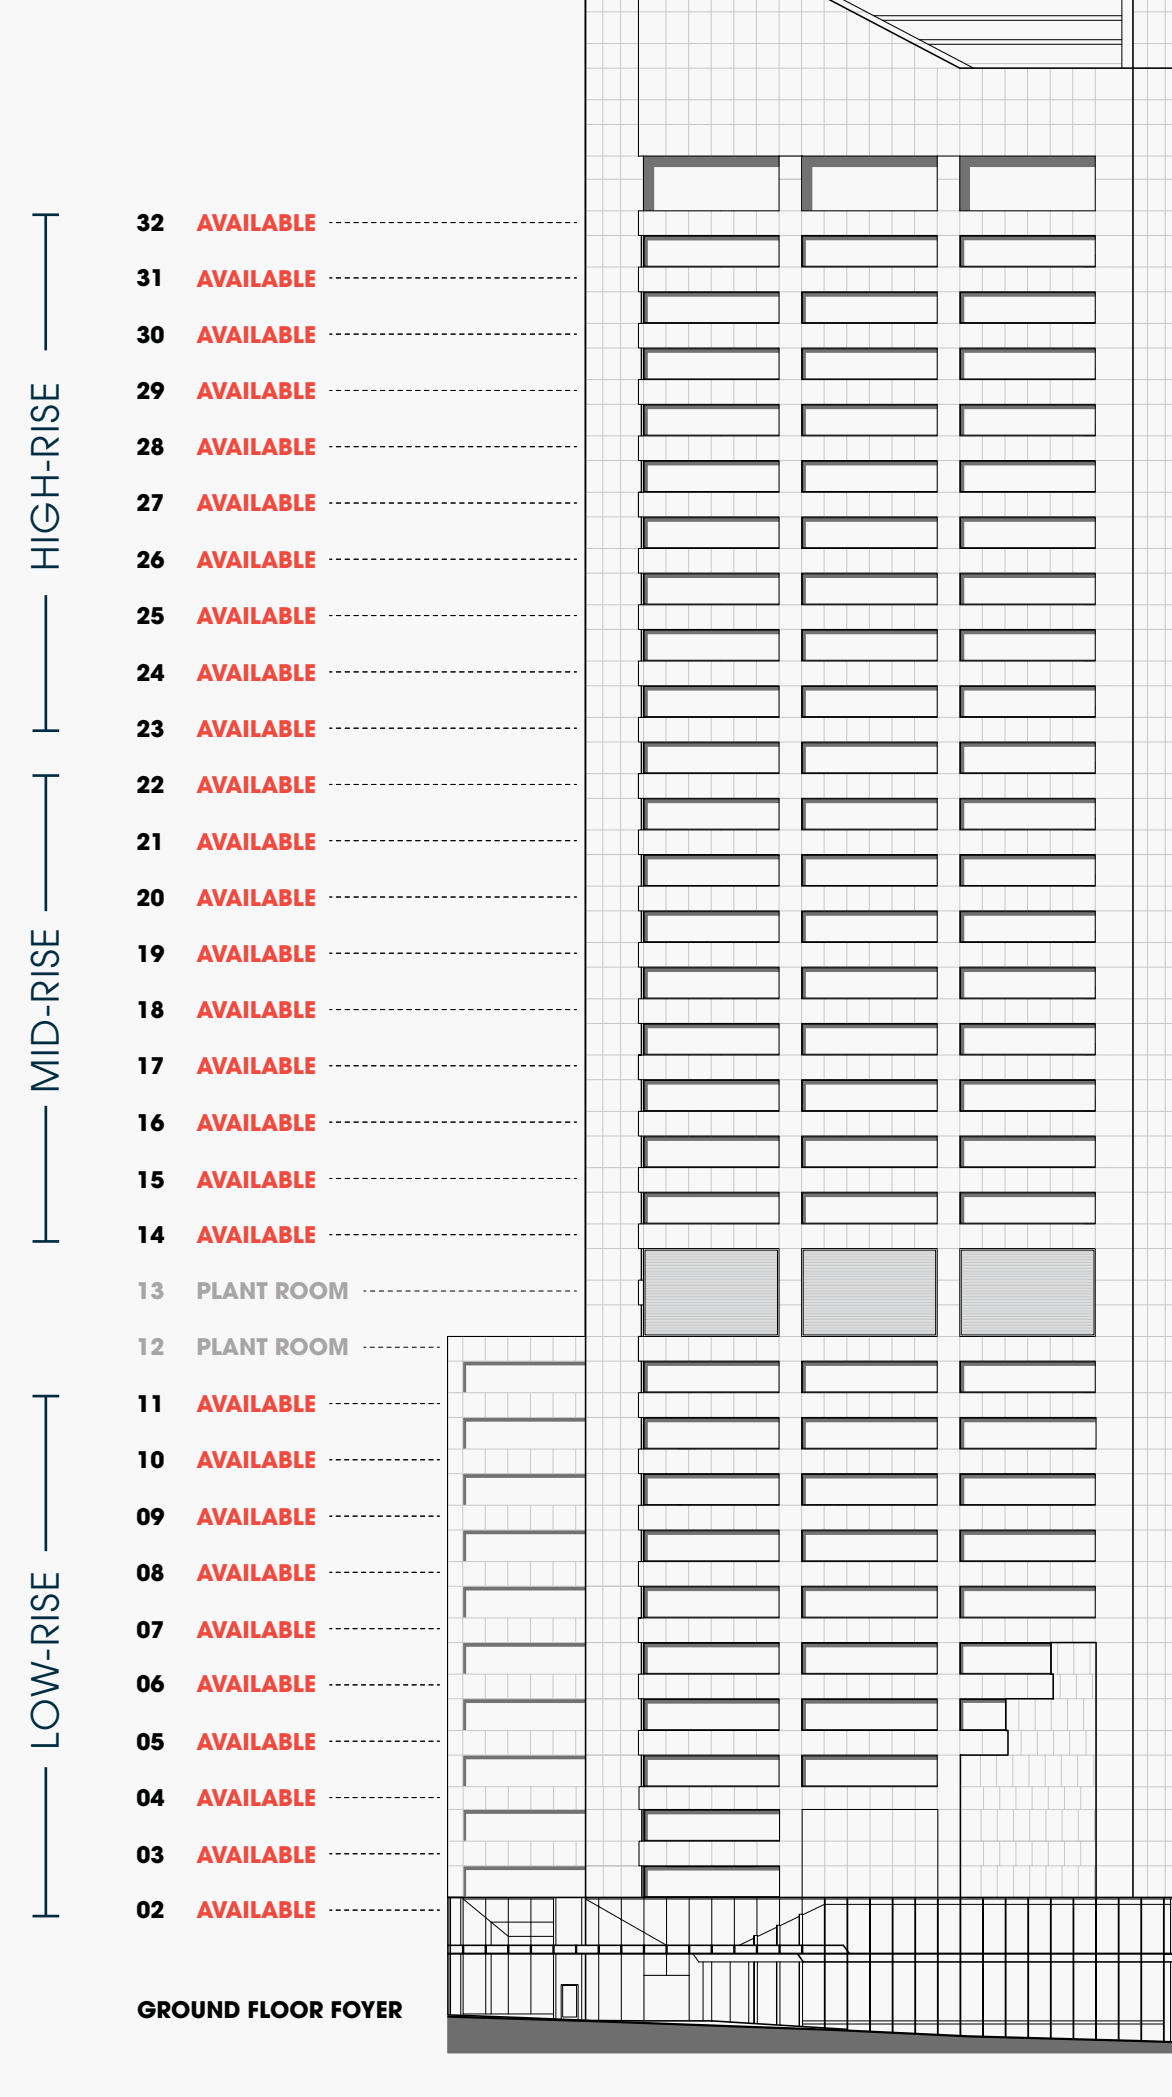

The building has a 4.5-star NABERS Energy rating, representing excellent environmental building performance.
