The Asset

Description

FREEHOLD INVESTMENT: 4 TENANCIES

A rare opportunity to secure a high-performing industrial asset in one of Sydney's most strategically connected precincts. Positioned along Heathcote Road, this freehold property comprises two quality industrial buildings with a total of four functional warehouses, all fully leased to established, clean, long-term businesses.

Property Features

- ✔ Two industrial buildings on a substantial freehold site
- ✔ Front building includes three warehouses, each with:
- ✔ Roller door access
- ✔ High-clearance warehouse space
- ✔ Mezzanine-level office accommodation
- ✔ Second freestanding warehouse of modern construction with excellent internal clearance
- ✔ Generous on-site parking for up to 25 vehicles, providing outstanding truck and container access
- ✔ Fully tenanted with recently renewed leases, generating an approximate annual net return of \$300,000

Location

Moorebank is renowned for its exceptional connectivity, offering immediate access to major arterial routes. The property sits just 1 km from the M5 on/off ramps, ensuring seamless transport links across Sydney. Liverpool CBD and its train station are also only a short distance away, enhancing convenience for staff, clients, and logistics.

Raine & Horne®

Location

Moorebank is a highly strategic industrial suburb located approximately 27 kilometres south-west of the Sydney CBD within the City of Liverpool. The area offers excellent transport connectivity, with direct access to the M5 Motorway, Hume Highway, and Heathcote Road, along with close proximity to Liverpool Railway Station, providing efficient road and rail links to Sydney's key commercial, industrial, and distribution hubs.

Moorebank is firmly established as a premier logistics and industrial precinct, underpinned by major infrastructure investment, including the Moorebank Intermodal Precinct—one of Australia's largest and most advanced freight and logistics developments. The precinct provides direct rail access to Port Botany and interstate networks, while future connectivity to Western Sydney Airport is expected to further enhance the area's long-term growth prospects and demand.

The subject property is ideally positioned approximately one kilometre from the M5 Motorway via Heathcote Road, offering outstanding access for transport, logistics, and distribution users. The surrounding area features a mix of modern warehouse facilities, industrial estates, and freestanding buildings, reinforcing Moorebank's reputation as one of South-West Sydney's most tightly held and highly sought-after industrial locations.

Planning Details

E4 - General Industrial - Liverpool Local Environmental Plan 2008 Map Amendment No 9

1 Objectives of zone

• To provide a range of industrial, warehouse, logistics and related land uses. • To ensure the efficient and viable use of land for industrial uses. • To minimise any adverse effect of industry on other land uses. • To encourage employment opportunities. • To enable limited non-industrial land uses that provide facilities and services to meet the needs of businesses and workers. • To allow other land uses that are compatible with industry and that can buffer heavy industrial zones while not detracting from centres of activity.
