388 George Street is a vibrant coworking space in the heart of Sydney's CBD.

Known for its modern design and community-focused environment, it offers flexible workspaces, meeting rooms, and event areas that cater to startups, freelancers, and established businesses alike. Natural light floods the interiors, complemented by warm timber finishes and greenery, creating a productive yet calming atmosphere.

388 George Street also provides amenities like high-speed internet, quiet zones, podcast studios, and wellness programs to support its members. Its central location ensures excellent access to public transport, cafes, and restaurants, making work-life balance easier.
