

## Instructions

Get a grown up to help you carefully cut out each card and fold them along the dotted lines. Then follow the rules on the card below to have fun while learning all about colours.

### Colours

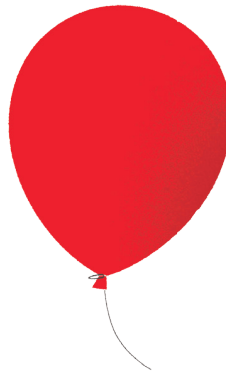

Place the set of colours cards on a table, with the words showing.

Pick up each card and say the word aloud. Encourage your child to repeat the word. Do this several times.

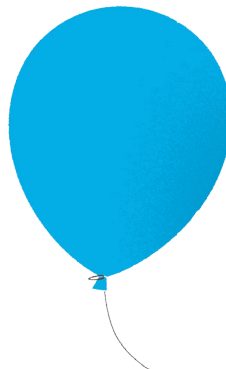

Turn the cards over. Pick up each card and encourage your child to say the colour of the object.

If they struggle, turn the card back over and say the word aloud together again.
