GO FAST BITS
0016

Introducing the new DV+ for late-model **VAG** and **Euro** applications!

**GFB's DV+ solution couldn't be simpler -
keep what works and replace what doesn't.**

- » Retains the factory solenoid coil for seamless integration
- » Replaces plastic valve parts with metal for reliability and strength on chipped engines
- » Direct-fit replacement with GFB's TMS benefits
- » Exclusive "pilot-actuated" valve mechanism for rapid response at high boost

GFB expands the DV+ range with a direct-fit solution for the weak factory diverter valve used on many European vehicles.

The solenoid coil itself from the factory-fitted valve is great (the ECU opens it faster than any pneumatic valve so why replace it?), but the weak point however is the valve mechanism itself. So GFB's DV+ solves this problem by replacing just the valve parts with an anodised billet aluminium housing fitted with a brass piston machined to exacting tolerances.

The end result is sharper throttle response, lightning-fast valve actuation, and it will hold as much boost as you can throw at it. Read all about the DV+ story on the next page.

Other manufacturers' products involve replacing the entire system with a traditional pneumatic valve, requiring long vacuum hose runs, additional parts for tapping into the intake manifold vacuum, plus either a different solenoid valve to actuate the pneumatic valve or a ballast resistor to plug into the OE wiring loom. All these additional items result in a product that is slower, less responsive, more expensive and takes much longer to install.

GFB's DV+ solution on the other hand is more responsive, less expensive, easier to install, and doesn't cause compressor surge/turbo flutter. Oh, and it doesn't require different springs or frequent re-builds.

Suits all VAG 2.0T FSI and TSI engines fitted to:

- » Audi A3/S3 8P (2003-2013)
- » Audi A4 B7 (2005-2008)
- » Audi TT Mk2 (2006-2013)
- » VW Golf GTI/Rabbit MkV (2003-2008)
- » VW Golf GTI MkVI (2008-2013)
- » VW Golf R MkVI (2008-2013)
- » VW Scirocco R
- » VW Jetta GLI MkV (2005-2010)
- » VW Passat B6 (2005-2011)

**Worldwide Patent and Design
Registration Pending**

Order Part #: T9351

Get better performance, higher boost and don't pay for what you don't need
