Car Giveaway at the 2018 Perth Royal Show!

The Royal Agricultural Society would like to announce our partnership with Scarborough Toyota for the 2018 IGA Perth Royal Show. RASWA is delighted to share the news that thanks to Scarborough Toyota one lucky patron will go home with an all-new 2018 Toyota Corolla Ascent Sport Hatch Auto in Glacier White.

Open to all who attend the IGA Perth Royal Show, patrons can enter at the three information booths on the showground each day. Two people will be drawn from each days entries, plus in exciting Show style, on the last night of Show just before the car giveaway two people will be picked randomly from the crowd.

In front of the entire Main Arena crowd, all eighteen daily winners will compete in a fun challenge to determine the final winner, with one lucky person taking away the keys to the all-new Scarborough Toyota Corolla. The Challenge to name the winner will be held before the Flight Centre Fireworks Spectacular.

To see what the new all-new Corolla looks like, go to the displays throughout the showground at station gate entrance, gate 5 and gate 10. Scarborough Toyota will also have a range of Toyotas on display at their stand including the all-new Corolla.

**Terms and Conditions to win brand new corolla here:
