7 Year Winning Scoop for Squiers!

Quairading farming family Squiers and Sons has for the seventh time in a row, walked away with the coveted Governor's Cup at the 2017 IGA Perth Royal Show.

Awarded to the exhibitor with the most points in the livestock exhibits including sheep, cattle, horse, goat and alpaca and rewards both excellence and consistency while also promoting the quest for higher standard, the Governor's Cup is by far the most prestigious award at the Perth Royal Show each year.

The Governor's Cup was presented by the Hon Kerry Sanderson AO, Governor of Western Australia during a ceremony at the Showground on the closing day of the 2017 IGA Perth Royal Show.
