SO MUCH MORE TO DO AND SEE!

The iconic IGA Perth Royal Show is just over half way, with three more awesome days to go!

Come down on Thursday 28th to watch Nick Fredraksen compete in the Woodchopping Final, all be it with only one arm. Nick lost an arm in a farming accident when he was a young child, but his determination and tenacity has seen him become one of the best woodchoppers in the country. **Woodchopping final heat is set for 11.15am and Final set for 12.20pm.**

Taste WA, presented by Lilydale, is serving up delicious meals in the family friendly marquee for that lunchtime fix, and what better excuse to get down to Taste WA than to meet The Blocks Ronnie & Georgia! Grab a selfie, **meet your fav Block star this Thursday 28TH between 1-2pm.**

We can't wait to watch the Isuzu D-Max drivers skid around the Main Arena with their precision driving this Friday because their passengers will be a few of WA's Fever Netball Team! Three high profile players, **Nat Medhurst, Courtney Bruce, Kaylia Stanton will be enjoying the hospitality of the D-Max team, Friday 29th 1.00pm**

The IGA Perth Royal Show opens its gates at 9am each day and closes at 9pm each night after the 8pm fireworks display.
