### **President's Note:**

Well, we have come to the end of my term as president. I would like to thank all club members and friends for your support throughout my year as President.

Last week we had a fireside chat where Tim interviewed me, while it was unfortunate to be having to go back to zoom meetings, it was still great to see everyone on the screen.

Birthdays for this week we have Peter Steele and Elsie Akele on the 27th, Liz Lewins on the 28th - Happy birthday!!

We also have a club anniversary for Bob Fairley who is an honorary member of our club.

This week we are back on zoom again, but for our changeover, it hasn't been the easiest year with COVID, but all our members have come together and made sure they are still keeping themselves out of trouble. 😊

Looking back over my year I am so proud of what our club has accomplished and how we have stuck together through this year.

I would like to thank everyone in this club for being so open minded and open hearted with having a young person as President.

Judy, I wish you all the best throughout your year as President, you have an amazing team behind you.

*President Emma*

### **CREG Group:**

CREG clean-ups have been suspended with the current COVID lockdown, but it great to see members making the most of the time at home, washing cars and cleaning houses as well as undertaking repairs & maintenance.

We also had some of our stalwart CREG team members continuing to do a clean-up whilst out exercising.

Jan Kemper did a walk through Puckey's Estate recently and the efforts from our clean-ups is evidenced by the beautiful photos she took.

## **Ruth's Ramblings:**

### *A Day in The Sun!*

They were both stark naked, the stories say  
Sunbaking on rocks and not in the hay  
Contemplating nature with a bare behind  
Deep, meaningful thoughts they did find

Starkers and bare as from the womb  
Then out of the bush a deer did loom  
Up they rushed in their birthday suits  
Not even time to grab their boots

They each got lost, couldn't find a way  
Meandering, hopeless, they did stray  
Further inland - as the day turned grey  
Wishing they'd never left the bay

Abashed and humble they pleaded, "Help"  
As the nettles and thorns made them yelp  
Rescue arrived with towels to cover  
The parts of them we're not to discover

The notepad came out with the solemn task  
Of asking the blokes "Where's your mask?  
And one poor chap with cheeks aglow  
says,  
"Where do I put it – where does it go!"

*Ruth*

### **Postscript:**

Two men were sunbaking naked at Otford at the weekend when they were disturbed by a deer. They rushed away, and became lost in the bush. They were found.
