### **President's Report:**

Our guest speaker for our Rotary Meeting this week is Assistant Governor Julie Collareda. Julie will be speaking about District Goals. During our lockdown, despite not being able to conduct Rotary groups and projects our board members are working behind the scenes. This includes applying for district grants, organisation of District Governor Jeromy Wright's visit on zoom for the 18th August, our participation in the First 2000 Days Project and Refinement of the Christmas Wishes Program for 2021.

### **The Olympic Games**

Lazy days spent in a haze  
of *Olympics* viewing  
Other needs successful subduing!

Every sport being watched in awe  
Swimming, athletics and those with an oar  
The preparation, discipline have been so hard  
COVID dictating to be on their guard.

I haven't got much to show for the week  
Except a new soup with potatoes and leek  
It's good to see our Aussie names  
With Bruce McAvaney's – his *Olympic* fame

Young people exhibiting moments of grace  
As they share the end of event or a race  
And *The Games* that feature heats galore  
A new Aussie challenge - the target? – Stage 4

And when it's *Game Over*, we'll be back where we were  
States and Feds giving each other a stir  
on stats and jabs and quite a few barbs  
The *Olympics* forgotten - but not our young stars

We'll be given the challenge of trying to score  
Surviving this virus and reaching stage Four!

*Ruth*

## **Editorial**

We are not all in the same boat  
We are in the same storm  
Some have yachts, some canoes, and  
Some are drowning.  
Just be kind and help  
Whoever you can
