President's Report:

Last week was extremely busy as I headed the Combined District President's Meeting. This meeting included District and Southern Illawarra Rotary Club's goals.

One of the goals presented was Linda Bunclark's goal on the Greenfest Project that we plan to hold in the near future. District Governor Jeremy Wright was hugely impressed with this project. He praised Corrimal Rotary for this initiative. Well done Linda!

No Birthdays or Anniversaries this week – congratulations to Peter Leiner & Gerri Wood who had a club anniversary on the 22nd and both joined our club in 2012.

President Judy

Helping the Jilkmिंगgan Community:

Our club donated 100 Days4Girls kits to the Community this week and they will be distributed to girls and women in remote communities, which not only helps the environment, but saves money on the purchase of products.

The Wollongong community have been very supportive and the group will be sending this week 2 crates of summer clothes to the Op Shop along with the kits.

Amanda Hay, the Events Manager of the United Communities Group will be a guest speaker at our meeting soon.

Jean & Kay

ROCorrimal Cottage Industry:

The fledging ROCorrimal Cottage Industry Shop is slowly taking place – with proceeds to our Service Account for all items sold.

Jean has been busy cooking up pickles and jam and has made this beautiful quilt, Gerri has produced some beautiful pictures, Kay has been busy knitting and the list goes on. Sally will be creating a space on our Facebook page for the shop and is investigating other options.

So, if you have any ideas to make items, please send a photo and short description to Sally.

If you'd like to know more about this project, please give Jean a call.

Greenfest Project:

Our inaugural Greenfest event is planned to take place on Sunday 13th March 2022 – Lang Park in Wollongong has been booked and the team are working hard to submit the required documents to WCC. Watch this space for further developments.

The Daily Grind – and it isn't Coffee

Night after night - mediocre TV
Old show repeats if it's the ABC
We're not impressed with all the ads
The other channels send with the latest fads.

I need new glasses - and my hair's too long
No fashion on - line – the size could be wrong
Can't go 'there' for new underwear
(Packet of three and one to spare)

The wardrobe's full with clothes from the past
Not a surprise – they're made to last
Keeping them going, Covid's the reason
They'll be here for all the next season

My make up is ruined under the mask
"Why bother to wear it?" I hear you ask
"It's habit dear friends from time long gone
In the days when perhaps, the visage shone"

But people smile above the mask
The jokes and camaraderie I hope will last
A nice atmosphere when I go out
That I hope gives boredom a biff and clout

And despite my flippancy and written smirk
The health professionals so frantically work
We're obeying the rules here in the 'Gong
Elsewhere – dear friends, it's still going wrong.

Afghanistan – such sobering news
It's an awful story, whatever your views.
And as I send this bulletin part
I write these days, with heavy heart.

But this week – The Paralympics start!
