District 9675

The Rotary Foundation Month

Tonight:

Face to Face meeting at Frat – 6.00 for 6.30 pm

Alternatively, log onto Zoom – 6.30 pm.

Guest Speaker - Liam Scale – TerraCycle

TerraCycle® is an innovative waste management company with a mission to eliminate the idea of waste. Operating across 21 countries, TerraCycle partners with leading consumer product companies, retailers and cities to provide solutions for difficult-to-recycle waste. It does this by offering a range of free programs and other paid options for individuals, businesses and brands.

President's Note:

Another week done and dusted, wow this year seems to be flying!

We had a very successful clean up in 3 locations on Saturday morning, thank you to everyone who turned up, cleaned up and had a coffee after it was all done.

The Rotaract club has their own tree planting this Thursday with some of our members going to help out.

This week we have Linda and Don's wedding anniversary and we also have Ruth's club anniversary. Happy anniversaries

We are back at the Fraternity this week reminder 6 for a 6:30 start, we are only able to have 26 people in the room.

We are in the sunken lounge. You are able to order food from the bistro and ask for it to be delivered at 7. We will still be running our zoom for those who can not make the meeting or still don't feel comfortable meeting face to face.

Dennis and I have scoped out the room and feel confident with spacing and technology, we are able to make this work hope to see you all there.

President Emma

Imagination Library – Jumping for Literacy:

Will you jump at the chance to create a brighter future for Australian children?

United Way are running an event to present Jumping for Literacy - an official GUINNESS WORLD RECORDS® attempt for most photos of people jumping in the air uploaded to Facebook in one hour.

To participate, you register and pay \$10, which is tax deductible. You then need a photo of yourself or someone else jumping. (Maybe a grandchild?) If you do it, publicise Rotary's connection by wearing your Rotary shirt.

The \$10 goes to an Imagination library project, so if you register, please look for team "Rotary Clubs of the Illawarra" to choose our ILI project.

On the 19th November between 12 & 1pm, the photo is to be uploaded to their Facebook page. If 500 or more photos are uploaded to the page, it will set a Guinness World Record and the participants will receive a Guinness World Records® certificate.

CREG:

Last Saturday was busy for us, we managed three cleanups simultaneously. We had the normal 1st Saturday of the month cleanup at Corrimal Beach, and we did Rise and Shine cleanups at Blue Divers and Baden Powell Park. Thanks everyone for putting in a big effort. We don't have a cleanup planned for this week. On Thursday morning we will be assisting UOW Rotaract members with planting shrubs and grasses. Our next cleanup should happen on Thursday, 19th November. Details will be in WhatsApp later. *Peter*
