President's Note:

We are currently living through a difficult time due to COVID and the lockdown. This is the time to check with other Rotarians, family, friends and neighbors to see if they are doing OK. It is important we look out for each other. We have been advised of cancellations, for now, of some Rotary Events due to COVID namely Lamington Day (A new delivery date will be advised in the near future). RYPEN Camp is also cancelled.

RYDA Road Safety Education:

Corrimal HS Y11 students are booked to attend this program on Monday, 26th July at Kembla Grange Racecourse with students from Illawarra Sports HS and Cedars Christian College. Whether it will go ahead, I don't know, but if it does, 2 or 3 members usually go to help with the organisation. More likely is Holy Spirit College's booking on Friday, 3rd September.

Sue

CREG:

There will be no cleanups until after the COVID-19 lockdown has been lifted.
The Rotary Club of Sydney (RCS) has an equivalent of CREG - theirs is called the RCS Climate Action Group. They recently hosted a webinar was on environmental impacts of plastics and microplastics, the guest speaker was Dr Scott Wilson.

Ruth's Ramblings:

Locked in – lockdown

I see you frown
"How can you be - 'in'
And also, be - 'down'?"

"Ah, my friend,
you've missed the point
Instructions are,
Don't leave the joint!"

No browsing, no shopping
Buy on line
If you get the right size
It'll be fine

The same with food
And take-away's good
And if you're like me
You'll enjoy TV

But then the phone rings
The friend's in a panic

"I made a mistake with
Instructions and things

I never was good with
Language and grammar"
His voice breaks a little
And I hear him stammer

"Help!" he finishes
With a big shout
"I made a mistake
I'm now LOCKED OUT!"
