RRP \$79.95

HYBRID 75 BOXING GLOVE

Pre-formed fist
ClimaCool Palm
PU Maya construction
Half strap wrist closure
Multi-layer foam construction
Full thumb protection
Single piece

A great performing and comfortable glove with a durable PU maya construction and a climacool palm to keep hand temperature down. Half strap for quick changes and easy adjustment with a sleek look silver thumb. Full thumb protection great for sparring and pad work.

WOMENS SPEED 100 BOXING GLOVE

RRP \$69.95

Pre-formed fist
Secure wrist support
Comfortable satin lining
Injection moulded foam
Superior materials

Designed for women by women. Injection moulded foam and a flexible wrist that has a secure strap to ensure the perfect fit. You'll look as good as you feel with stylish shock red three stripes

RRP \$45.00

MMA GLOVE

Made using high quality resistant PU
Palm is lined with polyester for greater comfort
EVA foam padding
With open thumb protection

Build your whole ground and stand-up game with these traditional grappling gloves made from superior materials while providing comfort and protection. The adidas traditional grappling glove has separated fingers slots, a two point closure system, comfort lining and a two piece construction for added flexibility. Available in Small, Medium, Large and Extra-Large.

HYBRID 100 BOXING GLOVE

RRP \$69.95

Pre-formed fist
Made with superior materials
Injection Moulded Foam
Padded Palm
Comfortable

A great fitting glove which is comfortable and fast. The pre-formed fist means that no effort is needed to make a fist, providing a fast punch action. Relax the punches, then make the fist. Injection moulded foam provides unique dampening protection. Available in both 12oz and 16oz. This is a nicely balanced glove, throwing the weight forward. A rigid wrist cuff with strap gives extra support. The Hybrid 100 is ideal for training, sparring and bag work.

HYBRID 75 BAG GLOVE

RRP \$39.95

Compact bag glove
Pre-formed fist
ClimaCool Palm
PU Maya construction
Half strap wrist closure
Multi-layer foam construction
Thumb cover

A great performing and comfortable glove with a durable PU maya construction and a climacool palm to keep hand temperature down. Half strap for quick changes and easy adjustment with a sleek look silver thumb. Thumb cover, ideal for bag work.

HYBRID 50 BOXING GLOVE

RRP \$44.95

Pre-formed fist
Fantastic value entry glove
Made with quality materials
Injection moulded foam

This might be an entry glove, but it still has injection moulded foam and a pre-formed fist. No working overtime to form a fist. Move fast with those punches. Secure wrist strap. An entry glove which gives balance and comfort. Available in 8oz, 12oz and 16oz. The Hybrid 50 is good for training, sparring and bag work. Bang for your buck.

FOCUS MITT

RRP \$54.95

Intergrated grip-ball
PU striking target
Dense foam interior
PU padded handcage

Stylish red and black colours, PU padded non-adjustable handcage and an integrated grip ball that is designed to lock the wrist in place for added safety when catching punches.

ADIDAS BOXING

Superior materials

ADIDAS gloves are made from the best leather and PU materials. All PU gloves are made with PUG3 technology.

PU3G

PU3G is a material that looks, feels and performs like leather. Extremely strong.
PU3G can continually absorb perspiration while remaining supple and impervious to cracking.

Pre-formed fist

All ADIDAS boxing gloves come with a pre-formed fist for comfort, speed and ergonomics.

Innovative products

ADIDAS provides a comprehensive product range using patented designs and technology.

Development

Tested and designed using top boxing athletes such as Chris Algieri (pictured)
