Mr R Stride\*, Dr W Webb OAM\*, Mr M Wood MBE\*

\*Deceased

#### Members of the Board of Directors

President	Ivan Adlam
Deputy President	Bryan Weir
Director of Finance	Andrew Gannon
Directors	Deanna Fekete, Stephen Handley, Chris Noel OAM, Bronwen Watson, Miranda Bennett, Sam Crosby

## GOVERNANCE

The business of Rowing New South Wales (RNSW) is carried out under the direction of the Board of RNSW for the benefit of constituent and registered members. The Directors may exercise all the powers of the Company, except any power the Corporations Act or the Rules requires the Company to exercise in a general meeting of members. The Board is responsible for the appointment of the Chief Executive Officer to do all things necessary for the proper management and administration of the organisation. The CEO is ultimately accountable to the Board of Rowing New South Wales, however the CEO is accountable to the President on a day-to-day basis.

Rowing New South Wales is committed to best practice models of governance to ensure the long term viability of the organisation. Corporate governance for the Board of Rowing New South Wales relates to:

- The process of setting, guiding and monitoring the organisation's future direction
- Ensuring the organisation operates within its relevant legal and other boundaries
- Driving organisational performance through the management team appointed by the Board
- Establishing appropriate control processes and accountability systems

The Board meets monthly, comprising 9 Directors elected by the members of Rowing New South Wales. The following members comprise the RNSW Board:

President	Ivan Adlam
Deputy President	Bryan Weir
Director of Finance	Andrew Gannon
Directors	Deanna Fekete, Stephen Handley, Chris Noel OAM, Bronwen Watson, Miranda Bennett, Sam Crosby

## BOARD OF DIRECTORS

### Ivan Adlam – President

*Attended 12 from a possible 12 Board meetings*

Ivan's introduction to rowing was as a parent in 2003. Since then he has been involved as a regatta volunteer, trainee BRO and achieved level 2 coaching accreditation. He has also served on the committees of the Endeavour Rowing Club and the Central Districts Rowing Association. Ivan has extensive experience in corporate accounting and financial management roles in Australia and overseas. He was appointed to the Board of Rowing NSW as Finance Director in October 2010.

### Bryan Weir – Deputy President

*Attended 12 from a possible 12 Board meetings*

Bryan Weir graduated from University of New South Wales with degrees in Law and Commerce in 1976. He joined the law firm of Freehill Hollingdale & Page (now Freehills), becoming a partner in 1980. In 1993, he left Freehills to become a divisional director of Macquarie Bank, where he remained until 1998. Since then, he has (with a business partner) established and operated a private investment and advisory group known as the Walker Douglas Group, which holds and manages investments in commercial and industrial real estate and in hotels. Bryan is a past president of Mosman Rowing Club.

### Andrew Gannon – Director of Finance

*Attended 6 from a possible 12 Board meetings*

Andrew has held senior roles in the Financial Services industry for a number of years, specifically in the areas of strategy & distribution. A Riverview graduate and Mosman Rowing Club alumnus, Andrew has represented the state at the 1991 National Championships in the Youth Eight. He brings to the RNSW board a valuable blend of corporate experience and in-depth rowing knowledge, particularly in the areas of strategic planning and idea generation. Andrew holds a Bachelor of Arts from University of New South Wales, a Master of Commerce from Macquarie University and a Masters of Business

Administration from the Australian Graduate School of Management and studied Performance Leadership at the International Institute for Management Development (IMD) in Lausanne, Switzerland.

### Stephen Handley

*Attended 9 from a possible 12 Board meetings*

Stephen Handley has been a member of Sydney Rowing Club for over 40 years, joining as a junior active member in 1970. Stephen enjoyed success as an athlete winning many state and national championships and representing Australia at two world championships and the 1980 Moscow Olympic Games. Following many years in banking and finance for the past 20 years he has owned and operated an electronics engineering business specialising in IT and telecommunications. Stephen has been a director of Rowing NSW since 2007.

### **Chris Noel**

*Attended 5 from a possible 12 Board meetings*

B Ec.1971, Hon Fellow Sydney University 2007. Rowed competitively at school and in club rowing from 1964 to 1977. Awarded a Sydney University Blue in rowing 1971. Served as Treasurer, Captain, President and Vice President of Sydney Uni Boat Club from 1975 to present. Member of the Board of Sydney University Sport and Fitness 1990 - 2009. President of Rowing NSW 2006-2008. In recent years Chris has headed the NSW Kings Cup Committee. This committee aims to support NSW State rowers and to promote the success of NSW crews in the annual interstate regatta. Chris has filled the role of Rowing Program Coordinator at Sydney University Boat Club since 1994.

### **Deanna Fekete**

*Attended 11 from a possible 12 Board meetings*

A member of Leichhardt Rowing Club, Deanna has a particular interest in women's rowing and a strong desire to capitalise on the breadth of NSW schoolgirl talent. Her deep administrative experience as the event manager for the Leichhardt Corporate Rowing Challenge provides valuable insights into her role as a RNSW Director, as is her renowned networking capabilities. Having been mother to three former rowers, Deanna also has a keen sense of what rowing currently succeeds in and what it still requires in NSW. When not on the water or at her club, Deanna is the director of Resource Connections, an independent energy consultant business based in Balmain.

### **Bronwen Watson**

*Attended 6 from a possible 12 Board meetings*

Bronwen was elected to the Board in May 2010. Following on from a successful representative career as an athlete on the Australian Rowing Team, which includes one Bronze and two Gold World Championship medals, she is now continuing in the sport from an administrative and management perspective including the role of President at Sydney University Women's Rowing Club. With nearly 30 State and National titles to her name, Bronwen has been an avid competitor and supporter of NSW, representing NSW across 15 years of National competition and continues to have close ties with young elite competitors in the sport.

### **Sam Crosby**

*Attended 6 from a possible 12 Board meetings*

Sam brings extensive experience within the sphere of policy and corporate affairs. Sam is currently the Executive Director at the McKell Institute. Previously a senior policy advisor for the NSW Treasurer, Sam was also Chief of Staff in the office of the NSW Minister for Waterways, Mineral & Forest Resources & Ports. Sam is currently an ambassador for White Ribbon Day and President of Concord's St Vincent de Paul conference. Sam holds a Masters of Business Administration from UNSW and a Bachelor in Economics and Social Sciences (Hons1) from the University of Sydney. In 2001 Sam rowed in the winning men's eight at the Head of the Charles (Boston). Sam is determined to see more people share in the benefits of the sport.

### **Miranda Bennett**

*Attended 9 from a possible 12 Board meetings*

Three time world champion in the Lightweight Women's Quad (and world record holder), Miranda brings extensive experience to the Rowing NSW board, including several years of administration and coaching experience with the UTS Rowing Club and Rowing South Australia and as a coach at the Wilderness School in Adelaide and PLC in Sydney. Miranda is currently Corporate Counsel at O'Donnell Griffin and has extensive experience in providing legal and commercial advice to business units on a range of legal issues. Miranda possesses a strong understanding of corporate governance processes and requirements acquired over eight years in the legal industry.

Trustees of the E.R. Bromley Trust .....	Geoff McIntyre AM, Dr Graham Jones, Terry O’Hanlon
Governance & Audit Commission .....	Andrew Gannon (Chair), Ivan Adlam, Kirsten Liljeqvist, Tony Blower, Melissa McCormack

## PRESIDENT'S REPORT

Thanks to my fellow board members for their commitment in time and energy to provide guidance and governorship to the organisation which is Rowing New South Wales. The board met on 12 occasions during the year and members also represented on sub-committees, commissions and specific project task forces.

The last couple of years has seen a greater level of stability in the composition of the RNSW Board which has enabled a longer term focus to be developed. This has also benefitted our relationships with Rowing Australia and the RA Council with whom we have been working to draft changes to our constitution in order to recognise the Australian Sports Commission's (ASC) Mandatory Governance Principles. The outcome of these changes will be an enhanced control regime across Australia with more consistency between States and better integration between RA and the States.

In recognition of his outstanding contribution to rowing in numerous roles over many years, Chris Noel was awarded Life Membership of Rowing NSW. I personally thank Chris for his contribution and wise counsel during my tenure on the Board. We also acknowledge the award of the Order of Australia Medal to Don Roberts for his enduring involvement in rowing, particularly in the schools' programme.

### Communications

The Board is committed to transparency and open communications. All board meeting minutes are published on the website and additional forums were scheduled during the year to share information and seek input from members. These included the Treasurers' meeting in April, the Regatta Planning forum in June and the Presidents' meeting in July. In addition, the Competition Commission and the Regatta Commission met regularly during the year. I would like to thank all members of the commissions and all those who attended or participated in the forums for their time and contribution.

### Strategic Planning

During the year we updated the targets included in our 5 year strategic plan to maintain relevance and to challenge the Board and Staff to strive for further improvement. It is satisfying that we have made good progress in achieving our objectives but we acknowledge there is always more to be done.

As part of the ASC's Governance Principles announced in 2013 there is a requirement for rowing to have a single, whole of sport, strategic plan for Australia. We expect the Rowing Australia plan to be finalised by the end of 2014 and we will subsequently undertake a comprehensive review of our plan to ensure that, where appropriate, our goals and objectives are aligned with those set at a national level.

## Regattas

The past year has seen our regatta activity continue to grow by almost any measure.

We continue to be challenged on several fronts to satisfy increasing demand for racing including access to venues, availability of volunteers & officials and staff capacity. We fully appreciate the efforts of all those involved at a state and club level and continue to seek ways to improve the sustainability of our rowing programme.

The NSW State Championships was, once again, a magnificent event followed four weeks later by the National Championships combined with the FISA World Cup. Blessed by near perfect weather and outstanding competition, these events showcased SIRC as a world class venue and NSW as a rowing community that can deliver where it matters – on the water.

We look forward to next year when SIRC will not only host the National Championships again but also the Australian Masters Championships. This will obviously require another step up in delivery effort but I'm sure we will once again deliver world class events.

## Representative Honours

Congratulations go to all of our members (and there were many) who have had the honour of representing their state and/or country over the last season. Our athletes have represented their state with distinction as evidenced by our strong showing in all boat classes at the interstate regatta and their inclusion in national teams. There were also a number of coaches and team officials who travelled with state and national crews and Boat Race Officials who officiated at interstate and international events. We are privileged to have members of such calibre in our midst.

We continue to build cooperative relationships with the upstream development pathway for athletes and coaches as well as the overall development of the sport in Australia by maintaining close partnerships with the New South Wales Institute of Sport and Rowing Australia. The National Talent Pathway Program now being rolled out by RA in close collaboration with NSWIS, RNSW and key High Performance clubs is evidence of a greater commitment to vertically integrate the talent pathway.

## Staff

As with the Board, stability in the staff ranks has assisted in facilitating a continuity of direction and a longer term focus. Under the leadership of Tony Blower the staff of RNSW continues to do an outstanding job. They are a pleasure to work with and, in all cases, their commitment to the organisation is absolute and their ability to deliver in their specialist roles as well as contribute broadly in a team sense is truly outstanding. I congratulate them on a job well done and look forward to another successful year.

## Sponsors

Finally I would like to thank our sponsors who you will find listed on the back inside cover of this report. Their support is vital to our growth and I encourage all members to give them your patronage whenever possible.

**Ivan Adlam**  
**President**

## CHIEF EXECUTIVE OFFICER'S REPORT

After another successful year for Rowing NSW I'm delighted to be able to present the Chief Executive Officer's report for the year to 30 June 2014.

Our on-the-water racing activities this year have been full of high achievements. In the Interstate Regatta conducted at the Sydney International Regatta Centre in March we achieved remarkable results;

1. Second in the Rowing Australia Cup , following on from our win last year
2. Winning the King's Cup, for the Interstate Men's Eight, for the seventh time in a row
3. Winning the President's Cup , for the Interstate Men's Single Scull
4. Winning the Rowing Australia Para-Rowing Shield for the best performed state for the second year in a row

Perhaps more importantly the participation in our sport across the state continues to grow. At its heart Rowing NSW is attempting to generate as many opportunities as possible for our athletes to compete in as many regattas as possible. Similarly we are encouraging clubs to host regattas as a way of contributing to our sport. As a result our membership numbers are continuing to grow across nearly all categories and we look forward for this trend to continue.

Last year's growth is reflected in the following;

1. There were 51,224 seats raced across Rowing NSW state sanctioned regattas
2. There were 75 regattas conducted in the state under the umbrella of Rowing NSW

This year has seen us turn our focus to lifting our commitment to our Boat Race Officials in order that we can continue our quest for world's best practice at our regattas, particularly our high profile events at the Sydney International Regatta Centre at Penrith.

Rowing NSW purchased four new state of the art, low wash catamarans to be used at SIRC. After a global search we acquired the type of craft used at the 2012 London Olympics and the 2013 World Championships in Korea. In the coming year we will continue to invest in equipment for our Boat Race Officials in order to support our existing dedicated team as well as looking to grow the ranks of this very important part of our volunteer base.

The finances of Rowing NSW are in good order, as witnessed by the Finance Report. We delivered a surplus which was in excess of budget. This reflects on our careful planning and our active monitoring of costs. Our balance sheet remains strong and we have a commitment to the financial longevity of our sport in this state.

Our technology and communication systems we believe are second to none in rowing in Australia, with the sophistication of our regatta entry management system the envy of many. Likewise our web page, Facebook page and Twitter feeds are used on a regular basis by our members and those interested on our sport. The ability to remain in touch with our live regatta function anywhere in the world has proven extremely popular, as has the coverage of our NSW athletes competing overseas at major events, both in real time and editorially.

We continue to make refinements to our regatta and accounting systems in an effort to improve the functionality of these systems in response to members desires to have more self-directed input. These efforts will be ongoing.

Once again this year our volunteers have given of themselves above and beyond the call of duty. Travelling for our regattas far and wide throughout the state, in sunshine and rain; on the harbour, on our regional river systems and at SIRC our BROs, boat holders, time keepers and helpers have made the holding of regattas possible. As an organisation we deeply value their contribution and continually look at ways to support them and improve their experience.

We continue to applaud the generosity of our clubs as once again they have embraced the true spirit of our sport and made their athletes, equipment and facilities available not just to Rowing NSW but also to other clubs. This commitment to the common good of the sport is something that sets us apart.

Last year we made a commitment to assisting the regions in development. I am delighted to report that we have made a good start in this area with the provision of a number of coaching and development camps in both the CDRA and NRRRA. We want to expand on this start and commitment to engaging with the regions to provide high quality professional delivered courses.

The staff of Rowing NSW has once again this year made a significant contribution to the success of rowing in this state. Their dedication and professionalism has been on display not only at each regatta but also in their dealings with clubs, schools and members. I would like to publicly record my thanks for their loyalty and efforts during the year.

I would also like to extend my thanks to our loyal sponsors and supporters. In particular I would like to thank Bentleys. Not only have they made a financial contribution but they assist by employing athletes, offering internships and contributing to our state members in the national team.

Looking forward I believe that we are well placed to continue to build on our recent success and I look forward to the new season in order that we might implement some of our initiatives.

Once again I would like to thank the Board of Rowing NSW for the faith they have shown in me and the staff.

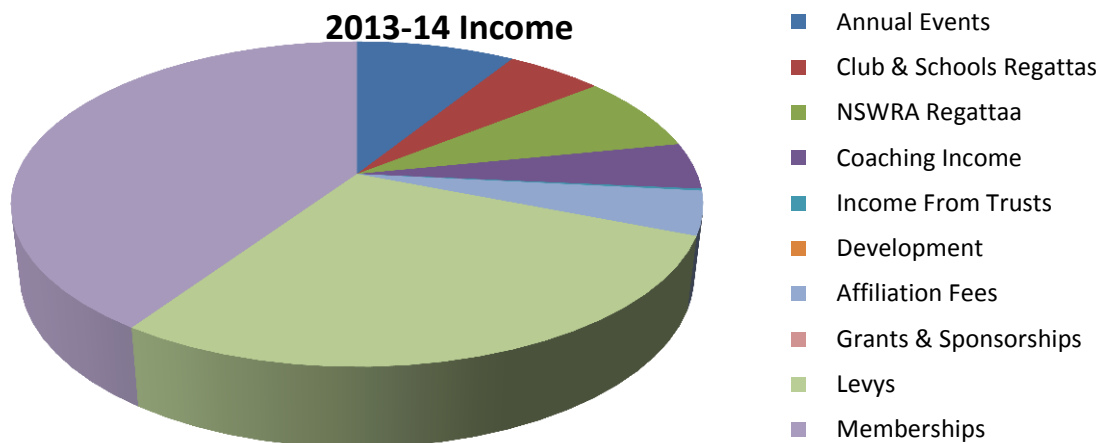

**Anthony Blower**  
**Chief Executive Officer**  
**July 2014**

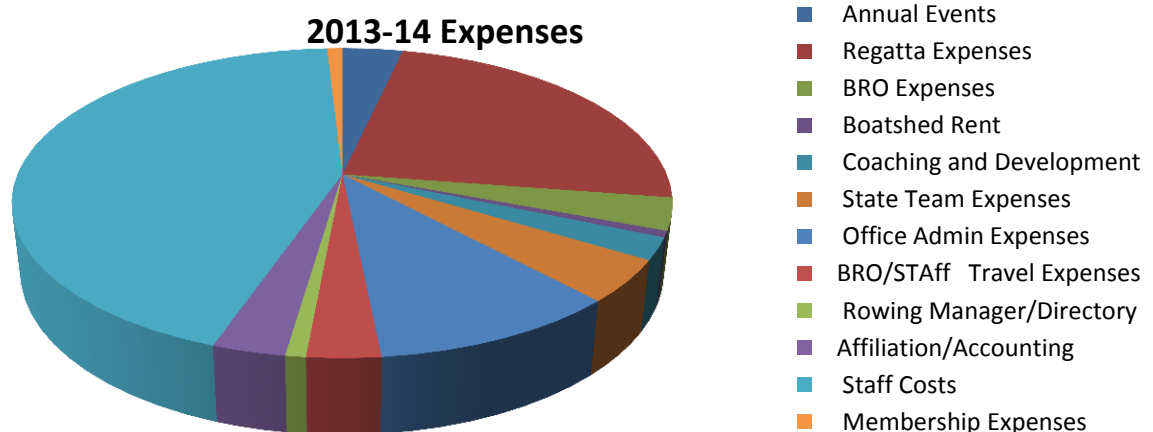

## FINANCE REPORT

The surplus of income over expenditure for the year was \$23,214 bringing members accumulated funds to \$552,597 as at 30th June 2014. The Rowing New South Wales Board has a strong commitment to delivering a relatively modest annual surplus in order to ensure the financial integrity of the organization and enable us to meet any unforeseen obligations, or to take advantage of opportunities which may be presented, whilst delivering infrastructure and support to members to ensure we remain Australia's premier rowing state.

Revenue for the year was \$1,123,871 which was an increase of 3% overall from the previous financial year. Overall regatta entries for clubs and schools were up by 5% and Rowing NSW regattas were up by 10%. Overall Rowing NSW hosted 11 regattas at Sydney International Regatta Centre, including for the first time the NSW Schoolgirl Head of the River. Membership revenue for the year was \$243,735 and an increase of 6% on the previous year. Both increased regatta entries and steady membership growth are reflected in increased revenue for the year.

Expenditure for the year was \$1,100,657, which was a 2.6% increase from 2012-13. Operations expenses increased by 11%, with a large increase being spent on updating and maintaining boat race official equipment, including the purchase of four new catamarans which are reflected on the balance sheet. Overall expenditure on Boat Race Official equipment and boats was over \$80K and is reflected in the financial position and note to the financial statements 9 (Property, Plant and Equipment). Regatta expenses also increased in line with the increase in regatta entries and events. Both Administration and Development expenses were down. While both departments are not intended to contribute to net income, the board has concluded that they should at least break even financially and contribute to the sport in NSW by increased participation, promotion & education.

This year Rowing NSW brought back the Presentation Dinner, which was successfully relocated to lower costs and promote a larger attendance. Rowing NSW also made a profit with the King's Cup lunch by decreasing the size of the venue hire, which also was a success. Another important change that had a very slight effect on income was the restructure of the club levy fee calculation. The way in which the club levy and affiliation fees are calculated was made more equitable by introducing a sliding scale. The majority of clubs, through the treasurers meetings over the last three years, came to this agreement as the fairest and most equitable calculation of levies across affiliated clubs. Prior to this the levies were calculated in such a way that disadvantaged the smaller clubs. The majority of treasurers and finance committee believe this was a successful outcome.

Financial reporting continues to be provided to the Rowing NSW board on a monthly basis with actual results compared with month- and year-to-date budgets. The debtor's collection process continues to improve with all schools, some universities and a few clubs taking up the option to prepay regatta seat fees in advance. Rowing Manager is continually improved and clubs are gaining more and more use of the online services and reporting that it provides. We have continued to provide full accounting services to both CDRA and NRRRA and will continue to do so. This includes debt collection, invoicing and processing of all payments.

Financially Rowing NSW has had a successful 2013-14 season. We have increased membership and regatta entries and the number of regattas. We continue to move forward and increase the services that we provide across NSW we are hoping to achieve an overall surplus of about \$37, 000 for the 2014-15 season. We will be adding more events again to our program which will include the ISRA regatta and the National Masters Championships. We will be striving to reduce costs, increase activities & services and develop initiatives to further enhance our service delivery to the NSW rowing community.

## REGATTA COMMISSION

The highlight of the regatta season was the Sydney International Rowing Regatta held on 23-30 March 2014, combining the Australian Rowing Championships, the Interstate Regatta, the Australian School Championships, and the FISA World Cup 1 Regatta. We enjoyed a full week of competitive racing with crews from all over Australia and many overseas entries.

The principal state regatta continues to be the NSW State Championship Regatta. This year's regatta was again very well supported with increased numbers of athletes competing, including many entries from interstate. Extending over three days, this regatta provides an ideal lead-up regatta to the Australian Rowing Championships.

There are many difficulties in running such a large regatta. The Regatta Commission regularly reviews the events, order of events, timing of races, breaks between races, and timing of the session breaks, in order to ensure that opportunities for competitors are maximised, that the regatta runs to time, and that there is sufficient flexibility in the schedule to accommodate indifferent weather.

This year we placed onto the Friday programme some of the pair-oar heats, and any semi-finals of single sculls that were needed, thereby reducing Saturday's programme by 90 minutes. In addition we began the Saturday and Sunday racing at 7:30am, thereby allowing more time for lunch and allowing the day's racing to finish earlier. Four new events, the Men's and Women's

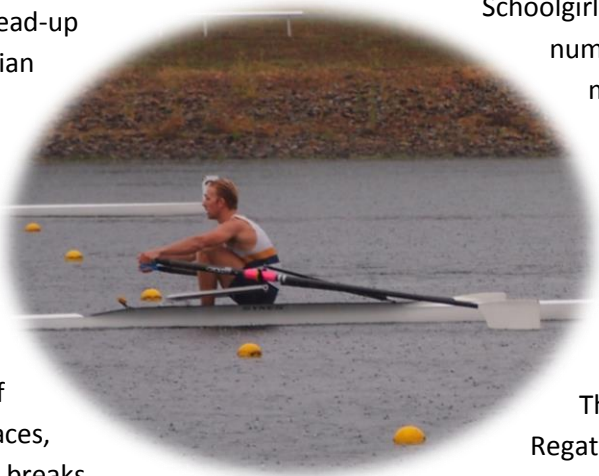

Lightweight Under 21 and Lightweight Under 23 Single Sculls, were introduced this year and these attracted good entries.

There were also increased numbers of athletes competing in the RNSW Reindeer 2000m Regatta in mid-December. This regatta is now well established and provides an excellent opportunity for competition on the Olympic course, and a valuable lead-up to the NSW Championships.

School rowing continues to be a major component of the RNSW season. These regattas include the GPS Regatta, the NSW Schoolboy Head of the River and the NSW Schoolgirl Head of the River, and numerous school regattas most weekends. This year the Independent Schools Rowing Association regatta, held in a new format at SIRC, was highly successful.

The Taree Summer Regatta, although held earlier in January than usual, attracted increased entries. This regatta is our largest regatta and is growing each year. It is a great holiday festival of rowing.

The Edward Trickett Grade Championship Regatta was again very successful. For this regatta too, there were increased numbers of seats, entries, and athletes. This year new Grade rules came into effect, to restrict entry by elite and national representative athletes into grade events, in order to support the growth of club competition. New procedures this year provided for greater equity in classification of interstate entries.

Masters rowing continues to be popular, at the State Masters Regatta and at designated regattas over the season.

The Regatta Commission met on seven occasions to review the outcomes of the current season's regattas and to plan the 2014-15 calendar.

The NSW State Championship regatta will again be held in mid-February to provide appropriate spacing before the National Championships. Six new events, Men's and Women's Under 17 Eights, Men's and Women's Under 21 Lightweight Doubles, and Men's and Women's Under 23 Lightweight Doubles, have been added to the programme.

The historic Riverview Gold Cup Regatta will revert to its traditional date in the second half of the season, two weeks before the GPS Regatta.

For Head races, the order of events has been reviewed to better rank the boat classes by speed. For many other regattas, much work has been done to fine tune the programmes to provide better opportunities.

Changes to the Laws of Boat Racing were adopted to bring the masters handicaps into line with handicaps adopted by the Rowing Australia Masters Commission.

The annual Regatta Forum was held in June, in order to present to clubs, schools, and other interested parties the draft regatta programme for the new season. The Regatta Forum also canvassed a range of other issues. The processes that the Regatta Commission follows in setting the dates of regattas, allocating regattas to club, and determining the events and order of events were explained and discussed. The Regatta Commission welcomes this opportunity to hear the views of all parties and receive valuable feedback. The discussion resulted in a number of adjustments to the programme.

**Keith Jameson OAM**  
**Chairman, Regatta Commission**

## UMPIRES COMMISSION

Another very busy year has finished and 2014/2015 season is just a few weeks away. The Sydney International Rowing Regatta and the National and Interstate Regatta held at SIRC were great events with some very good results for NSW. Congratulations to all and especially all those involved with our great King's Cup VIII.

The number of BROs on our books and available to attend the many regattas held in NSW each weekend continues to cause a few problems. All regattas had some representation by qualified BROs but many didn't have the number required to fill all positions. This was most noticeable in the metro area with 3 regattas held on several weekends. We have had a slight increase in our new members but this increase has been offset by those who have left. We continue to be a small dedicated group but would welcome anyone who would like to come and help. It can be very rewarding and we have a great bunch of people willing to teach newcomers.

This year we have been fortunate to have Krystin and Fiona continue to work regularly and they have both progressed to Level 2 status which is great. They both travel quite some distance to officiate most weekends: Krystin from the Hunter Valley and Fiona from the Mountains. A long way to come, especially if the regatta is called off as occurred at the UTS JB Sharp regatta due to strong winds.

**Tim Wainman**  
**Chairman, Umpires Commission**

The JB Sharp series is nearly finished and unlike last year we have had no new trainee BROs out watching and learning to be a BRO. I would remind all clubs and schools that we need new BROs to come and join us and work their way up through the ranks. We provide training for BROs, coaches, coxswains and are usually in the form of a presentation and a slide show along with a Q & A session which is usually very interesting.

This year Greg Smith, one of two NSW FISA Umpires, went to Aiguebelette in the South East of France to officiate at World Cup II. This is a stunning venue and is to be the venue for the 2015 World Championships. Anyone who saw the

Foxtel broadcast of the finals would agree that the scenery is stunning although spectators didn't have such a great view. The jury was made up of members from France, Australia, Belgium, China, Germany, Great Britain, Italy, Japan, Singapore, Switzerland and Tunisia. Greg was fortunate enough to umpire the final of the M2X race. Victor Walter, our other NSW FISA Umpire, has been appointed as the President of the Jury at the World Masters regatta in Ballarat later this year. Both of these BROs can be seen out on the water in and around Sydney passing on their knowledge and working hard to make sure all athletes get a fair race and other BROs learn from their experience.

## COMPETITION COMMISSION

The Competition Commission met four times in 2013-2014 season. Our major task was to arrange policies for state team selections. Our objectives for the year were to win the interstate Rowing Australia Cup by maximising our crew performances at the Interstate Regatta.

In 2013 Rowing Australia discontinued the Interstate Youth Cup held between all states and north and south islands of New Zealand and replaced it with a national team U21 competition against New Zealand. This move reduced the opportunities for youth development competition from around 140 rowers nationally and 20 from New South Wales to 20 nationally. Members of the Competition Commission made representations to retain the Youth Cup to Rowing Australia but these representations were not considered. The new competition reduces development competition opportunities for youth rowers in the off season and this is an issue the RNSW Competition Commission will review for NSW rowers in 2014-15.

In 2013-14 the Commission was again chaired by Board member Stephen Handley who provided our group with strong leadership, Commission members were Chris Noel, Bronwen Watson, and Alan Bennett. Selectors Terry O'Hanlon and Nick Baxter also joined the commission meetings.

The Commission has retained its policy of trying to inject planning, support, consistency and methodology into our State Team selection processes.

In 2014 the NSW State Team achieved strong results in the Interstate Regatta but finished just behind Queensland and Victoria. We retained the King's Cup and the crew set a new record for New South Wales with our seventh consecutive win. Sasha Belonogoff won the Presidents' Cup for the Interstate Men's Single and our women's lightweight quad rowed well to close second place. Both our youth eights finished third and our men's lightweight four came fourth. We fell short of our objectives of winning the Rowing Australia Cup in 2014 and in 2015 we will need to look carefully at how we can improve performances in areas where we continue to underperform. These are senior women, lightweight men and, in 2014, our youth eights.

A major challenge for 2014-5 will be to ensure our youth eights have the time together to get the right combinations in bigger boats and that all our best youth rowers have the opportunity to be selected at their peak time.

The Commission again extend thanks to all our state team coaches, especially our senior coaches Nick Garratt and Ellen Randell, and to our selectors Terry O'Hanlon, Nick Baxter and Mick Smith, and RNSW development manager Alan Bennett for their assistance with the state team.

We would also thanks those clubs who provided coaching support, trained our NSW athletes and generously lent their facilities and equipment for state teams to train in and race.

**Christopher Noel**  
**Competition Commission**

## 2014 INTERSTATE REGATTA

Sydney International Regatta Centre, (SIRC).

Similar to last year, the Interstate regatta was part of the Sydney International Rowing Regatta (SIRR2014) comprising of the Australian National Championships, National Schools Championships, World Cup #1 and the Interstate regatta.

Last year, training restrictions placed on the Interstate teams by the NRCE caused a logistical problem. There were some restrictions this year but it didn't appear to be such an issue.

We still have some team members living interstate and this again caused some difficulty in getting quality training time for some crews. This was addressed by holding training camps when athletes were available, for example after the National Time Trial.

As in previous years, Lead Coaches were appointed along with Assistant Coaches for each crew. Training squads were announced, based on certain criteria, with the intention of having these crews boat once per week. Depending on the size of the squad, crew changes were made to give everyone a chance to be seen in the crew and additional people were added based on their results from monthly time trials and /or ergo testing results.

Squad training allowed coaches to gather information on the individuals and see how various crew combinations mould together. This information and results from the RNSW Small Boats Regatta (SBR) were used to determine how each crew proceeded with its selection.

Selection for some crews was much easier than others as the results from SBR and other collected data made the decision clear cut. However, for others, such as the Youth M8+, the decision was much more difficult to make due to the changing fitness levels of those involved.

Once crews were finally selected, training continued on a weekly basis up until SIRR2014 and then whenever it could be fitted in between other crew training / racing. With the regatta program being extended to eight days this year, there was more time available during the regatta for training.

After winning three events and the Australia Cup for the overall point score last year, there was a lot of pressure to continue that success. However, with some of our best youth rowers moving up into senior boats, both of these boats were left in a rebuilding stage.

Crew – Nell Slater Trophy	Coach
Anna McGlynn (UTS)	Ellen Randell / P McGlynn

Anna McGlynn was the NSW representative this year in the Nell Slater Trophy. This race only had five entries and was dominated by the winner from Queensland from the first stroke. However, Anna came out hard and was in the mix for fourth / fifth position until the halfway mark. Here she dropped off the pace somewhat. She managed to rally a good last 500m but was unable to catch the fourth placed sculler, finishing in fifth position.

Crew – Presidents Cup	Coach
Sasha Belonogoff (SUBC)	Rhett Ayliff (NTC) Mark Prater (SUBC)

Sasha Belonogoff was again the NSW representative in M1x for the President's Cup. Having a conservative start to the race, Sasha only moved into the lead at the halfway mark. However, once there he continued to move into a commanding position and the final result was never in doubt with Sasha posting his first win in this event.

Crew – Victoria Cup	Coach
Holly Lawrence (SUWRC); Sarah Pound (UTS); Laura Dunn (UTS); Georgie Miansarow (MRC) ( <i>Jess Hudson – UNSW</i> )	Ellen Randell (UTS) Kyeema Doyle (LK)

On paper, this crew was ranked third, however they had a different opinion.

This crew had a terrific start, moving fast off the line and leaving the other crews in their wake. They knew that the TAS and WA crews would be strong and they led both through the 1000m mark. TAS started to gradually claw back and just lead the field at 1250m by ½ length. A gutsy last 500m from NSW saw that distance stay the same as TAS were unable to move away and WA made no impression on the leading 2 crews.

A well planned strategy by the coach, superbly executed by the crew saw NSW win a much deserved second place.

<b>Crew – Penrith Cup</b>	<b>Coach</b>
Simon Nola (SRC); Richard Coakley (MRC); Ed DE Carvalho (SUBC); Will Clark (MRC); ( <i>Rod Chisholm – UTS</i> )	Geariod Towey (UTS)

Unknown to the team at the beginning of this campaign, the appointed Lead coach was planning on moving overseas so there was not much leadership for this group. The Asst Coach stepped in to fill the void and to give direction.

This is an extremely difficult category and with Ed being based at the NTC, this crew had limited training time in the boat, especially for scullers. They did manage to train on a weekly basis with the reserve, Rod Chisholm filling in.

Due to this limited time to bond into a cohesive unit, they were unable to move off the start fast in racing.

They trailed coming through the 500m mark but moved up into fourth position and were gradually closing the gap on the crews in front of them. Unfortunately, they were unable to make up the 0.5sec to the third placed TAS crew before the finish.

<b>Crew – Bicentennial Cup</b>	<b>Coach</b>
Serena Cox (MRC); Rowena Meredith (MRC); Jessie Allen (MRC); Nicola Metcalfe (SUWRC); Genevieve Horton (MRC); Georgia Gotch (MRC); Rafaela Stalph (MRC); Sophie Deans (MRC) cox Dani Pettit (MRC); ( <i>India Evans – SUWRC; Maddie Wallace – SUWRC</i> )	Alfie Young (MRC) Lachlan Allen (LK)

This crew retained three core members from previous years, but the new members to the group were very inexperienced at this level. They had managed to have some training rows as a crew prior to being selected, but Georgie Gotch was then relocated to Melbourne. Whilst the crew continued to train with the reserve in the boat, this was a key seat and it wasn't the same.

This combined with the lack of experience in the crew showed in the last part of the race. The crew had a reasonable start but never got into their stride and were chasing up and down the slide. At halfway, QLD started to move away from them and in the last quarter, VIC started to close on them. It was here that both the inexperience and the telling amount of racing that the stern pair had been involved in during the regatta showed. The focus shifted from the "process" to the "outcome", resulting in VIC moving through in the last two strokes, relegating NSW to 3<sup>rd</sup>. Overall this was a disappointing row and result for this group.

<b>Crew – Noel F Wilkinson Cup</b>	<b>Coach</b>
Rob Tucker (MRC); Alex Purnell (SUBC); Daniel Whitehead (SUBC); Tom Whitehead (SUBC); Tom Schramko (MRC); Jess Coyle (SRC); Sam Hardy (SRC) Rob Black (MRC); cox Franc Gourlas (SUBC); ( <i>Joshua David – SUBC; James David – SUBC</i> )	Rick van Hooydonk (SUBC) Alistair Matthews (SUBC)

This crew contained one rower plus coxswain from last year. The remainder of the crew was made up from mainly scullers with little sweep experience. The squad rowed together on a regular basis, but due to selection difficulties, this crew was finalised later than the other boats. This was a race of three parts: NSW were third at the 1000m mark within 1½ seconds of the leaders with the next two crews level, one length behind and the last crew a further length behind. The positions remained the same, but the margins increased over the next 1000m. Although this was a disappointing result for this crew, it is a new combination which will be the basis of this squad over the next couple of years.

Crew – Queen’s Cup	Coach
Coco Bryant (MRC); Elizabeth Halsall (UTS); Ellie WInstanley (SUWRC); Amy Clay (MRC); <i>Laura Honson*</i> (UTS); Leah Saunders (SRC); Kelly Parker (UTS); Rachael Kiely (MRC); cox Kendall Brodie (SRC); (Tess Gerrand – SRC)	Debbie Fox (SUWRC) Lachlan Carter (SRC)

Four members of this crew had stepped up from successful years in Youth crews and joined some very experienced senior rowers. Building on last year, the coaches and rowers were keen to step up and their training and the enthusiasm they brought to each session showed this. Being based Interstate, Tess Gerrand had limited training in the boat and so the reserve, Laura Honson spent most of the time in the 6 seat. The night of their final practice, the lead coach, Debbie Fox, was informed that due to an injury Tess had to withdraw from the crew. Although the crew had only managed limited training with Tess in the boat, this came as a major blow and on race day the crew did not perform to the potential that had been demonstrated in training. The crew were never in contention and finished a disappointing last.

Crew – King’s Cup	Coach
James Chapman (SRC); Jack Hargreaves (SUBC); Nick Wheatley (SUBC); Alex Lloyd (SRC); Spencer Turrin (SRC); Nick Purnell (SUBC); Matt Ryan (SUBC); Fergus Pragnell (SUBC); cox Toby Lister (SUBC); (Nick Hudson – SUBC; Cam Girdlestone – SUBC)	Nick Garratt (MRC) Mark Prater (SUBC)

Over the previous campaigns, the crew had maintained their core members, with one new member coming on board each year. This year, Francis Hegerty, Sam Loch and Dan Noonan, stroke man of the crew for the last four years all stepped aside, leaving a big opening for new talent. With the crew spread across NSW, ACT, VIC and SA finding time to row the boat was again problematic. November saw the first camp of the campaign being conducted on the Nepean River with another in December after the National TT. Due to training protocols for two of the crew based at the NTC, the final camp was held in March down in Canberra three weeks before the race.

The crew was an unknown quantity going into the race; however, after 250m it was clear that they would win the race. They were dominant from the first stroke and continued this through to the last, posting a time of 5:32 to win by over 5sec from 2<sup>nd</sup> place SA. This was a very impressive performance, setting a record of seven consecutive wins and the trend for ongoing success.

## **Summary**

The strength in depth we have had in the last 2 years in both Men's and Women's youth crews has moved on, resulting in a building phase over the next few years for this category.

Good progress has been made in the women's lightweight crew; however, we need more development opportunities for men.

Similarly, NSWIS, RNSW and the clubs need to continue development of QC eligible athletes. We have very little depth in this category and if we are going to be competitive in this boat again we require more athletes to step up and also the retention of past performers.

The development of the KC squad is evolving as can be seen from this year's result with two U23's on board. It is imperative that development from the underage groups continues to feed up into the KC squad. However, we must not become complacent about our position as it only takes a slight change in momentum to derail the best laid plans.

The combined efforts from all crews this year was not sufficient to retain the Rowing Australia Cup, NSW narrowly missing out to Queensland, who have not won this event for over ten years.

This year's State Team would not have been possible without the co-operation of all club coaches to work together to supply training venues, racing boats and equipment to all the crews.

Thanks must also be given to the RNSW Selectors, club and RNSW/NSWIS officials for ensuring that everything was done to get the best possible crews to the start line.

**Alan Bennett**  
**NSW State Team Manager**

## MASTERS ROWING

The Masters community continued to strongly support Rowing NSW and Rowing Australia during the past year, both in participation in Age and Grade Regattas as well as volunteering support throughout the season.

The Masters Shield was won by St George for the second year running, followed by rowing Premiers Leichhardt with North Shore in third place.

Sadly, during last season, New South Wales lost two giants of Masters Rowing in the passing of Bob Hammond and John Sypkens.

The good news during the year included the opening of the new UTS Haberfield Clubhouse, the introduction of new Handicaps for Masters racing and a successful Masters Training weekend run by Alan Bennett on Middle Harbour.

The State Masters Championship Regatta was held at SIRC in excellent conditions, and was attended by 566 competitors, 10% more than last year which was unexpected as the Australian Masters had been held two weeks prior. The new Regatta Point Score was won by St George, with Canberra upsetting Mosman for second place!

At the Australian Masters Championships in Adelaide, Victoria, Queensland and NSW won the medals in all Interstate races bar the Men's Quad where Tasmania ran second. The NSW Women's Quad rowed a close fought second to Victoria, with our crews running third in the Men's and Women's Eight and Men's Quad.

NSW single scullers dominated in Adelaide, with Elizabeth Halsall, Amanda Behrendt, Lindy Nisbett, Kaye Smythe Trent Rogers, Carl Quitzau and Bruce Sharp all Australian Champions in their age group.

Next season is going to be very challenging, with a FISA Masters Regatta in Ballarat in November, the Australian Rowing Championships again at SIRC, and the NSW and Australian Masters Championships at SIRC in May.

### Phillip Titterton

## PARA-ROWING

In the 2013/14 NSW rowing season para-rowing must be recognised as having taken a huge leap forward and this advance was evident at both the NSW State Championships as well as at the Nationals/World Cup. This year at the NSW State Championships, for the first time ever anywhere in Australia, there was a full field of LTA para-rowers in both the male and female categories with 7 entries received in the Men's LTA category alone and 8 entries in the LTA doubles category.

This increase in numbers can be directly attributed to the support shown by RNSW toward any club that wished to introduce a para-rowing programme to their already existing rowing programmes. In 2010 when Balmain re-commenced a para-programme it wouldn't have been possible without the ongoing support, knowledge, energy and enthusiasm shown by all staff at RNSW and though staff have changed that level of support has continued.

### Outstanding Results

Erik Horrie (AS, Sydney Rowing Club) has had an outstanding year and capped it off by winning the 2013 Magpie Award.

In 2013, Erik set a new World record in the ASM while on the way to claiming both the National and World Championship titles and was chosen to compete at the World Championships in Amsterdam in August 2014.

Jeremy McGrath (LTA, Balmain Rowing Club) was named NSW Rowing's Novice of the Year as in his first year of competition Jeremy not only finished the season holding the NSW State titles in the LTA M1x and LTA Mi2x but also the National LTA M1x, LTA Mi2x and the LTA Mi 4+.

Kate Murdoch (LTA, Nepean Rowing Club) goes from strength to strength and once again finished the season with a swag of gold to add to her already burgeoning medal cabinet with the National and State LTA W1x, LTA Mi2x, and the National LTA 4+.

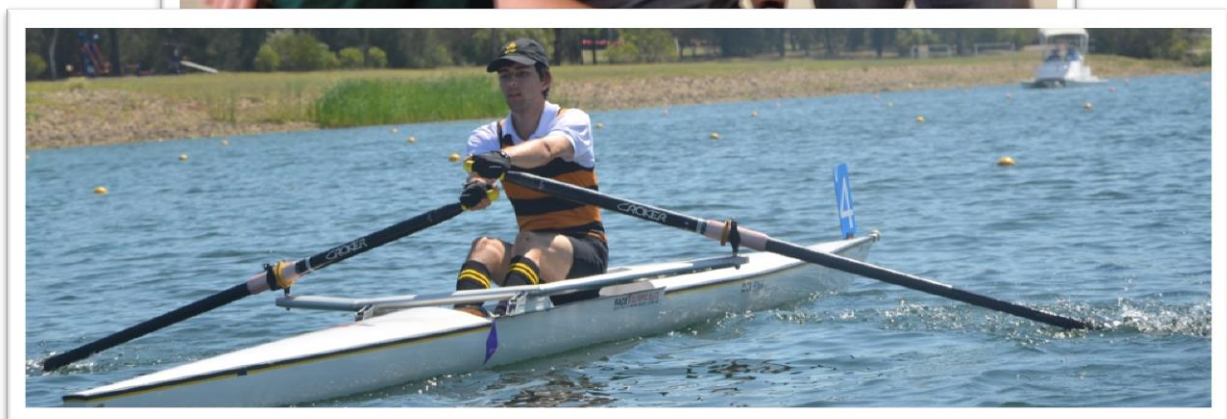

October 2013 saw a Balmain LTA 4+ crew compete in the Head of the Charles Regatta, Boston. This was the first time an international crew had entered this event category and against all expectations the crew came home winners. This year Balmain are once again sending a crew to defend their 2013 win and will be joined on the start line by a second NSW LTA 4+, from St George Rowing Club.

NSW was once again recognised as the pre-eminent State for para-rowing and came away from the Nationals with the Para Shield yet again. This makes it three wins in a row and we plan to hold fast to the Shield for many years to come!

For NSW to remain the pre-eminent Para-rowing State we need to acknowledge the support and assistance of every member of the staff of RNSW. Whether it's an issue with a regatta entry, or classification or even the recognition that para events are entitled to be granted competition points, I can say that each staff person named above have played a significant role in the continuing development of para-rowing in this State.

To the Board of Rowing NSW, the staff, those that cheer and recognise the efforts of the competitors in this category, the coaches, and the clubs thank you for your ongoing recognition that this class of rower is as valued and important as any other.

#### **Barbara Ramjan**

## NSW UNION OF ROWERS

The Union has had busy year. The principal activity is the awarding of the Union of Rowers' Scholarships. This year the Union has made five awards of \$1,000 each to promising young rowers who demonstrated their potential last season. The recipients are: Robert Black of Mosman Rowing Club, Kate Hall of Kinross Wolaroi College, Holly Lawrence of Sydney University Women's Rowing Club, Jeremy McGrath of Balmain Rowing Club, and Tom Schramko of Mosman Rowing Club. We are very pleased to recognise these outstanding young rowers and provide them with financial support.

The scholarships are funded mainly by the Union's Scholarship Club scheme. This is a simple competition with a prize of \$1,000 and through this scheme the Union raised \$3,980 this year and \$4,450 last year. The Union's merchandise program is also a valuable source of funding, contributing \$5,068 over the past two years.

Other activities this year included:

- A visit to the UTS Haberfield Rowing Club to inspect their new premises.
- While at UTS we presented an Honorary Membership to the outgoing Vice-Chancellor of UTS, in recognition of the outstanding contribution that he and his University have made to rowing on the Haberfield site.
- In conjunction with Rowing NSW, a bronze plaque was erected at Sydney International Rowing Centre to recognise the outstanding success of Australian Single Scullers over the period 1860 – 1960, including 15 World Professional Sculling champions, all from NSW. The Plaque also lists the Australian (and NSW) Gold Medal single scullers at Olympic, British Empire and Commonwealth Games, prior to the introduction of Annual World Championships in 1962.
- A behind-the-scenes tour of the Sydney Cricket Ground and Sydney Football Stadium.

The Union is going through a period of change. At last Annual General Meeting Terry Maher, our Honorary Secretary, stepped down from the position, after many years' of work for the Union, and the Union recognised his efforts by awarding him Life membership of the Union. Terry also stepped down from his role as Convenor of the J B Sharp Regatta Series. Our President Barbara Ramjan completed two years in the position, being the first President since we adopted a change in our Constitution that provides for a two-year period in office, a break from our custom of many years of rotating the presidency every year. Our new Honorary Secretary is Phil Titterton, while responsibility for conducting the Sharp Series regattas has now been taken up by Rowing NSW.

At next Annual General Meeting two of our long-serving members of the Executive Committee, Russell McLean and Geoff McIntyre, have indicated they will not seek re-election. Both have been very active in their efforts for the Union over many years and their efforts have been very much appreciated. They will be missed. The Union will need to rebuild the Committee with some younger members.

**Keith Jameson OAM**  
**President**

## NSW UNION OF OARSWOMEN

### Established in 1962 – Supporters of Schoolgirl's Rowing and Women in Masters Rowing

The 2013-2014 season has proved to be exciting with the second Australian National/Samsung World Cup Regatta held at the Sydney International Regatta Centre (SIRC) in March 2014 being the main highlight.

#### Volunteering

The Union has a strong commitment to supporting the sport of Rowing and this has been endorsed by our members keenly volunteering at the many regattas organised by Rowing NSW, Rowing Australia, the Association of Independent Schools and the NSW Combined High Schools Association. Once again, there was an opportunity to contribute as volunteers to the success of the National Regatta/Samsung World Cup 2014 at SIRC.

#### Schoolgirl Rowing

The NSW All Schools' Schoolgirl Head of the River is always a highlight of the rowing year with many top class young rowers competing for prestigious trophies and for the honour of winning the regatta's point score award. The First Eight trophy – the Rose Evans Memorial Trophy – was won by Queenwood School for Girls. The Open Single Sculls trophy – the Betty Spurling Memorial Trophy – was won by Kate O'Gorman from the Tara School.

The NSW Combined High Schools' Championship Regatta was held over two days at SIRC. For many of the young rowers this was their first experience of competition at this international venue. Trophies donated by our Union were presented to the following race winners: Romola Davenport of Sydney Girls High School won the Merv Perry Trophy for the Championship Women's Single Scull; Sydney Girls High School 1 won the Rita Goldie Memorial Trophy for Under 16 Coxless Quad Sculls; Sydney Girls High School 2 won the NSW Union of Oarswomen's trophy for the Under 15 Coxless Quad Sculls; and Samantha Pett from Kelso High School won the NSW Union of Oarswomen's trophy for the Under 16 Single Scull. Samantha is the Union's youngest member. As this is the 125<sup>th</sup> year of the NSW School Sport Association, all medal winners received specially inscribed medals to commemorate this significant occasion.

## **Masters Rowing**

At the NSW Masters Championship Regatta held at SIRC on 17-18 May, 2014, our NSW Union of Oarswomen trophy for Champion Women's D Grade Quad Scull was won by the Black Mountain 1 crew of Pam Nash, Cecile Young, Yvonne Poels and Jeannette Gasson. Two weeks earlier, this highly competitive crew had won silver at the Australian Masters Championships in South Australia.

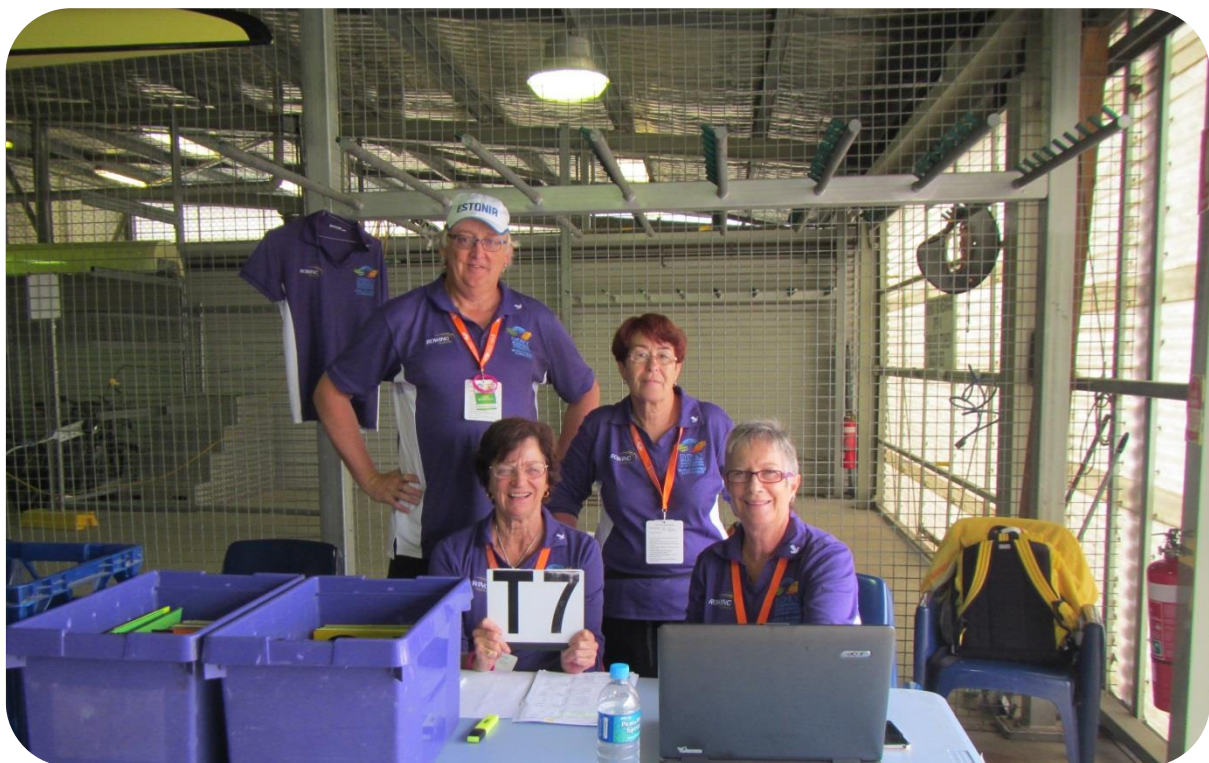

Over recent years, our Union has offered a sponsorship for a woman in Masters Rowing to participate in the Rowing NSW's Level 1 Coaching Course. In 2013-14, the successful candidate was Amy Greenlees from the University of NSW. Amy's varied and active experiences in rowing and her commitment to coaching, injury prevention and recovery should make her an asset to any club. This sponsorship offer is available again in the 2014-15 season.

## **Rowing/Friendship Day**

Our annual Friendship Day was held at Sydney Women's/MLC Rowing Club at Abbotsford in early June. While the number of active rowers attending the day was limited, the camaraderie was uplifting. We are a small but committed group, who endeavour to promote and support women to be inspired and achieve their dreams and goals in rowing.

## **Katie Kershaw**

**President 2013-14 NSW Union of Oarswomen**

## **L.E. STEPTO MEMORIAL TRUST**

On the 24th November 1987 the Trust was established to acknowledge the contribution to rowing in New South Wales by Laurie Stepto. The purpose of the Trust is to receive donations and funds from other sources and to invest those funds and make distributions from time to time for the benefit of Rowing NSW. The Fund also receives income from fines imposed by Rowing NSW. The Fund is currently supporting New South Wales crews competing in State, National and International events.

Laurie Stepto was an accountant by profession and joined the Glebe Rowing Club in 1947. He was Club Secretary from 1952 to 1956 and delegate to the NSW Rowing Association from 1948 to 1955. He was created a Life Member of the Glebe Club in 1965 to acknowledge his considerable contribution over 18 years. During the same period he was most successful in his accountancy profession and became a senior partner in the firm of Hungerfords.

He played a most important role in NSW Rowing Administration as Treasurer from 1955 to 1967, Deputy Chairman 1967-70 and President 1978-86. He was awarded a Medal of the Order of Australia (OAM) in 1979 for his significant contribution to rowing in NSW and Australia. Laurie passed away in Sydney in November 1986.

-----

During the past year the Trust made available \$8,000 to the NSW Team competing for the King's Cup & Australian Rowing Championships. Financial position is shown in the Financial Statements in this Annual Report.

### **TRUSTEES**

Geoffrey E. McIntyre AM – Chairman

J. Doug Donoghue AM

Andrew Rowley

June 2014

## E.R. BROMLEY TRUST

The E.R. Bromley Trust was established by the late Ted Bromley in January 1993 to assist rowers from New South Wales chosen to represent the State, initially in the King's Cup but expanded to include representation for Australia in World Championships in the Junior and Under 23 categories.

In the year ended June 30, it was another good year for New South Wales in that 12 rowers were chosen for the Under 23 World Championships in Varese, Italy and the Junior World Championships in Hamburg, Germany.

Accordingly the Trustees decided to award \$1,200 to each of the following named rowers making a total award amount of \$14,400.00.

### UNDER 23 TEAM

Jess Allen	-Mosman
Genevieve Horton	-Mosman
Georgia Miansarow	-Mosman
Georgie Gotch	-Mosman
Jack Hargreaves	-Sydney Uni
Nick Wheatley	-Sydney Uni
Leah Saunders	-Sydney

### JUNIOR TEAM

Tom Schramko	-Mosman
Michael Ritchie	-Mosman
Zac von Appen	-Mosman
Callum Rossi	-Mosman
Sean Murphy	-Mosman

The Trustees look forward to continuing to assist young rowers from NSW chosen to represent Australia and to remind them of Ted's expectation that "they will display great spirit, enthusiasm and determination" in representing their country. Ted's daughter Mrs. Christine Pollitt, the Legal Representative of the Trust, continues to take a keen interest in the Trust and we are most grateful for her generous support.

### TRUSTEES

Geoffrey E. McIntyre AM – Chairman  
Dr. Graham R. D. Jones  
Edward (Terry) O'Hanlon

June 2014

## CENTRAL DISTRICTS ROWING ASSOCIATION

### Regattas

Nine regattas including sprint and standard distance Championships were scheduled.

The Lake Macquarie Regatta was abandoned just prior to its start due to rough water conditions and the Endeavour Regatta was curtailed after 58 of the 84 races scheduled due to the extreme heat. All other regattas were conducted according to schedule.

Total seats entered for the nine regattas were 6,417 at an average of 713 seats per regatta, compared with an average of 678 per regatta in 2012/2013.

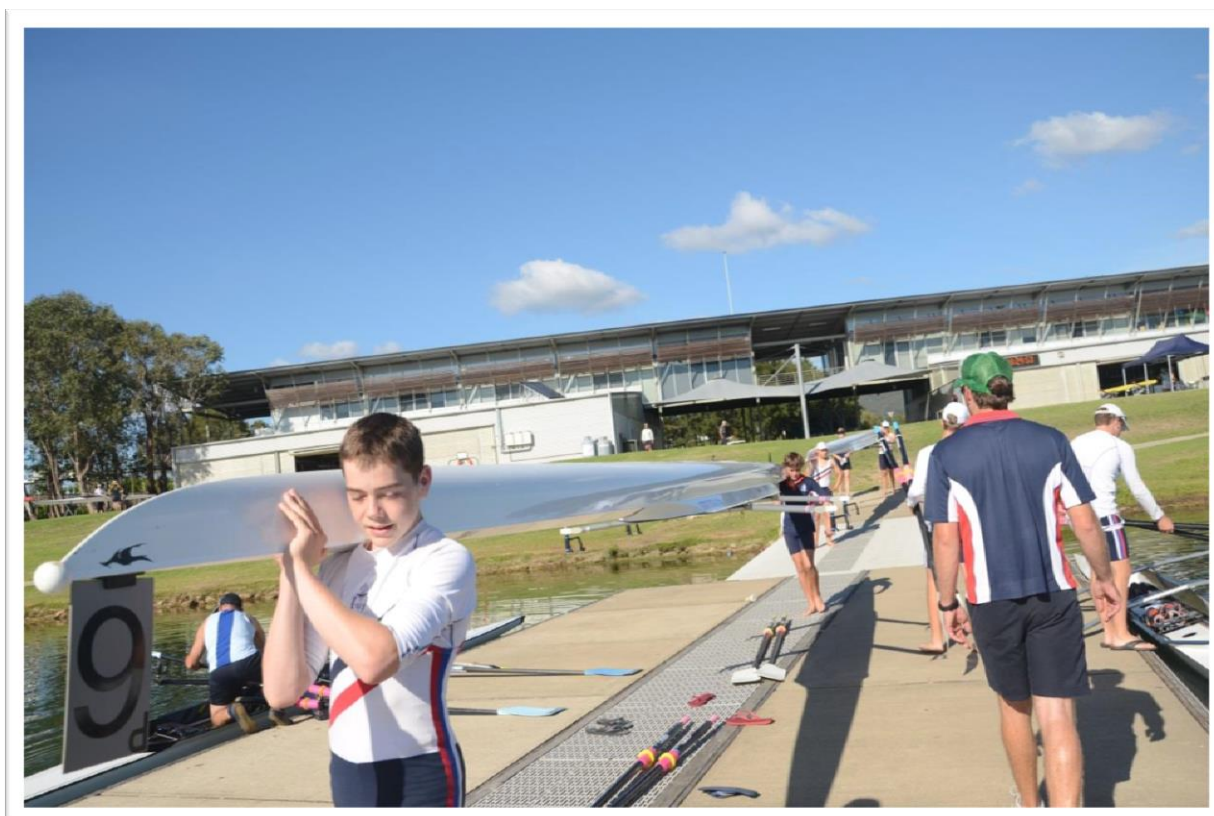

### Boat Race Officials

The Association Policy of requiring competing Clubs to provide one BRO, resulted in sufficient BROs being available for all regattas, however, some delays are being experienced in converting Trainee BROs to Level 1 or Level 2 BROs.

### Other Championship Regattas

Rowers from Central Districts achieved some good results at National and State level including:

- Odin Mackintosh of Newcastle Rowing Club was a member of the winning Men's Under 19 Quad Scull at both the NSW and Australian Championships.
- Newcastle Grammar won the NSW Championship Schoolboy Double Scull.
- CDRA crews won two Australian Masters Championships.
- CDRA crews won eleven NSW Masters Championships.

## Annual Rowing Camp

The Annual Rowing Camp was conducted at Endeavour Rowing Club at Berry Park with 42 participants from 5 clubs. Visiting coaches Alan Bennett and Steve Whittington, provided through Rowing NSW, were assisted by local coaches - John McLeod, Peter Bond, Mark Williams, Stephen Townsend, Ivan Adlam and Graham Nix. The cost was \$10 per day for participants with catering undertaken by members of Central Coast Rowing Club.

## Association Pointscore Awards

Winners of the Association Pointscores for the year were:

Overall Pointscore	Lake	Macquarie
Single Sculling Pointscore	Lake	Macquarie
Multiple Sculling Pointscore	Lake	Macquarie
Sweep Oar Pointscore	Newcastle University	

## Administration

The Association's thanks are extended to:

- Brian Kelleher for undertaking the draws, arranging for results to be posted on the web site and implementing the live results system.
- John McLeod for his duties as Secretary and Treasurer and Public Officer of the Association.
- Peter Bond for acting as the Association Recorder.
- Ray Beeton for his duties as Gear Steward.
- All Boat Race Officials and volunteers.

**Graham Nix**  
**CDRA President**

## NORTHERN RIVERS ROWING ASSOCIATION

This year has passed very quickly, without disruption.

In all, ten regattas have been held, and for the first time in a few years, without cancellations due to floods. Numbers of participants were fairly stable.

I thank Peter Faint for his mammoth efforts in organising them.

Results of the point score are:

<b>Club:</b>	Tweed Heads
<b>Open:</b>	Lower Clarence
<b>Junior:</b>	Lower Clarence
<b>Masters:</b>	Murwillumbah
<b>Mixed:</b>	Murwillumbah
<b>Individual:</b>	Crystal Piper - Lower Clarence
<b>Men's Master 1x:</b>	Scott O'Reilly – Murwillumbah
<b>Women's Masters 1x:</b>	Keryn Saunders - Lower Clarence

The Head of the Clarence, Grafton, saw a huge regatta program, followed the next day by an equally large GRC regatta. More Brisbane clubs were represented at the weekend than before, matching the Sydney schools' participation. I believe that because of the number of entrants, plans for changes in marshalling of crews are being put into place.

The Head of the Tweed also continues to grow, also a credit to MRC.

NRRA held its annual Age and Masters Regattas on 2nd February and 16th March respectively. I thank MRC and Tim Rose in particular, for all the background organisation that was undertaken to hold these regattas. I also would like to acknowledge and thank those volunteers who helped at these regattas, those who combined racing and volunteering and especially those who spent the whole day helping out because it was required.

As always, the BROs have performed at the very high standard to which we have become accustomed, and have done a fantastic job at all the club and NRRRA regattas. Our thanks go to all of them for their time, effort and professionalism. At present, Grafton Rowing Club supplies the largest number of BROs. We need to encourage more people to take this role on, especially the more northern clubs of the region.

The affiliation fee levied on all clubs by NSW Rowing is now in place, set at \$660.00, inclusive of GST. In September, 2013, Ivan Adlam, President of NSW Rowing, and Anthony Blower, CEO of NSW Rowing, travelled to Maclean to meet with NRRRA for discussions regarding this, as well as looking to improve communication and relationships.

Because of these discussions, and to gain benefit from the levy, an educational day was held on 6th April at GRC. Alan Bennett, the NSW Rowing Sports Development Officer, undertook both an on-water coaching session and theoretical rowing stroke session in the morning, with lectures and practical sessions on rigging boats in the afternoon. The day was well attended, with very positive feedback. Other educational days are to be planned, with discussion to be undertaken on the frequency, topics to be presented and attendance fees.

Our thanks to GRC for holding the educational day as well as the loan of boats. Also thanks to those who organised breakfast, and thought through and arranged lunch. A special thanks to Di Foley for accepting the job of liaising with Alan Bennett and organising dates, topics and venue.

Finally, a heartfelt thank you for this year to my hard working committee.

**Lisa Cottee**  
**NRRRA President**

## **INTERSTATE ROWING CHAMPIONSHIPS**

**Sydney International Regatta Centre – NSW – March 29, 2014**

### **Interstate Women's Single Scull, The Nell Slater Cup – 5<sup>th</sup>**

Anna McGlynn (UTS), Coach: Ellen Randell

1<sup>st</sup>: QLD, 2<sup>nd</sup>: TAS, 3<sup>rd</sup>: VIC, 4<sup>th</sup>: WA, 5<sup>th</sup>: NSW

### **Interstate Men's Single Scull, The President's Cup – GOLD**

Alexander (Sasha) Belonogoff (Sydney University)

1<sup>st</sup>: NSW, 2<sup>nd</sup>: WA, 3<sup>rd</sup>: TAS, 4<sup>th</sup>: SA, 5<sup>th</sup>: ACT, 6<sup>th</sup>: VIC, 7<sup>th</sup>: QLD

### **Interstate Lightweight Women's Quad, The Victoria Cup – Silver**

Holly Lawrence (Sydney University), Sarah Pound (UTS), Laura Dunn (UTS), Georgia Miansarow (Mosman), Coaches: Kyeema Doyle, Ellen Randell

1<sup>st</sup>: TAS, 2<sup>nd</sup>: NSW, 3<sup>rd</sup>: WA, 4<sup>th</sup>: QLD, 5<sup>th</sup>: VIC, 6<sup>th</sup>: SA

### **Interstate Lightweight Men's Four, The Penrith Cup – 4<sup>th</sup>**

Simon Nola (Sydney), Richard Coakley (Mosman), Edward De Carvalho (Sydney University), William Clark (Mosman), Coach: Gearoid Towey

1<sup>st</sup>: QLD, 2<sup>nd</sup>: WA, 3<sup>rd</sup>: TAS, 4<sup>th</sup>: NSW, 5<sup>th</sup>: VIC, 6<sup>th</sup>: SA

### **Interstate Women's Youth Eight, The Bicentennial Trophy – Bronze**

Sophie Deans (Mosman), Rafaela Stalsh (Mosman), Georgina Gotch (Mosman), Genevieve Horton (Mosman), Nicola Metcalfe (Sydney University), Jessie Allen (Mosman), Rowena Meredith (Mosman), Serena Cox (Mosman), Danielle Pettit (Mosman), Coaches: Lachlan Allen, Alfie Young

## **OBITUARIES**

We regret to report the deaths of the following members since our last report:

### **Bob Wickenden**

**July 2013**

Regretfully, Bob Wickenden passed away on July 10, aged 60.

Bob was a prominent senior oarsman in the early 1980s, winning the Champion Eight of NSW in 1981, 1982 and 1983, and rowing in the King's Cup in 1982.

Bob was a permanent member of the NSW Union of Rowers, and his fellow members will always remember him for his friendly outgoing nature.

### **Bob Hammond**

**July 2013**

Rowing NSW informs our community of the passing of Bob Hammond, a stalwart member of Drummoynes Rowing Club.

Bob was an extremely keen masters rower, and recently had the honour of having a new Drummoynes eight christened after him.

He was known around the club as a level-headed gentlemen.

Bob will be remembered as the founder of the Ancient Mariners, the group of rowers who have never let age slow their passion for our sport.

### **Mert Lloyd**

**July 2013**

Mert Lloyd passed away on Wednesday, 24 July, 2013 aged 95.

Mert had been an enthusiastic, involved member of the rowing community and a devoted 'Sydney girl' for 80 years. She was the stroke of most Sydney Women's crews during her long active career of over 20 years. Mert represented NSW as a rower in 1941 and several times as manageress. She coached many Sydney Women's crews. Mert was the coxswain of a crew at the Centenary Regatta for Sydney Women's Club at the age of 92.

Like many people in this sport, rowing was Mert's life.

### **Erwin Eder**

**August 2013**

Erwin Eder (age 84 yrs.) passed away in hospital at Jindabyne.

Erwin had a most distinguished rowing career in the late 1940's through to 1960 with Haberfield winning many State and Australian Championship races. He rowed in the all Haberfield Coxed Four in the British Empire Games in New Zealand in 1950 winning a silver medal.

Erwin had moved to Jindabyne many years ago where he lived with his wife Pam and we had not seen him at Haberfield for many years.

He was a champion bloke by any measure.

**Ian Morgan****September 2013**

We regret to inform the Rowing NSW community of the passing of Ian Morgan.

Ian passed away on the afternoon of Sunday, September 8.

He was a stalwart member of Haberfield Rowing Club, having joined in 1962.

Our condolences go out to Ian's family.

**Jack Darby****November 2013**

Rowing NSW has received the sad news that Jack Darby passed away on November 26, at the age of 89.

Jack was a rower and active member of Sydney Rowing Club during the 1940s and '50s, and was a past captain of the club and board member.

He was a prominent supporter of Sydney Rowing Club's Rowers' Reunions, and chaired the group on various occasions.

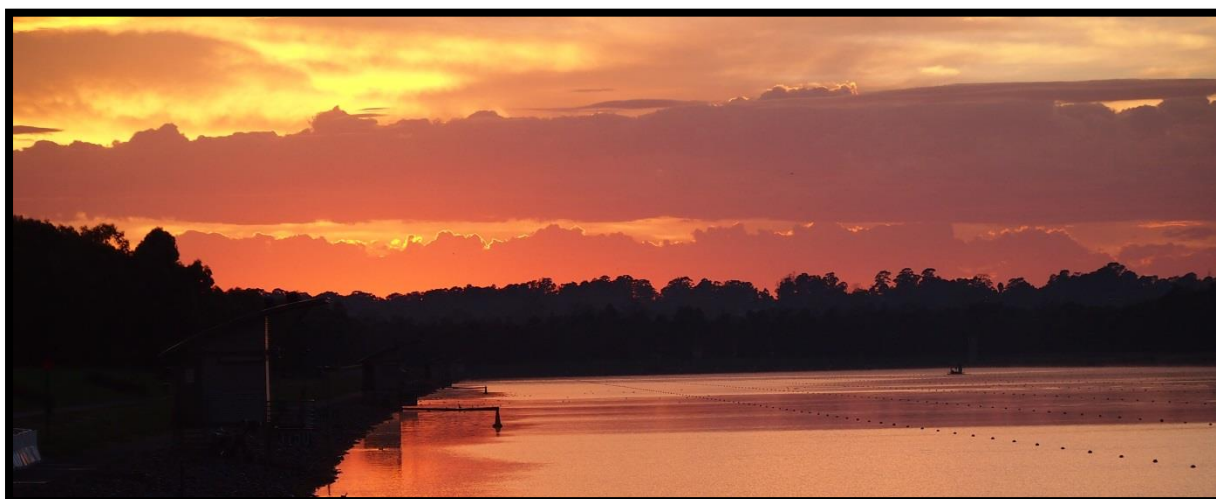

Recently, Jack had been living on the Central Coast.

**John Sypkens****January 2014**

John Sypkens died at a nursing home in the Dandenongs after a long illness on New Year's Day.

Until quite recently John was a familiar face to be seen at the major Masters regattas. Based in Armidale and a stalwart of Armidale RC he rowed successfully at most NSW state and National Master Championships from the mid 1990's till around 2010 when he retired from ill health. As a single sculler he was very difficult to beat and won the Champion of Champion sculls on several occasions at the National Masters. He is also the only person, of whom I am aware, who has won every category of boat at a National Masters regatta. He achieved this in the "G" category at Bundaberg winning 1x, 2x, 2-, 4x, 4- and VIII's races as well as the Champion of Champion single sculls for that year.

He and his wife, Susan, had moved from Armidale to Victoria to be closer to other family members after he retired from active rowing. He would have been 80 this current year.

**Stuart Evans****February 2014**

Stuart Evans, one of Mosman Rowing Club's Life Members, a long-serving club captain, a NSW coach and a long-term coach of Mosman Rowing Club passed away peacefully in his sleep on Saturday February 15 with his family at his side.

Stuart was a controversial character but a passionate, one-eyed Mosman supporter who had the ability to polarise people. However, no one could ever doubt his love of our great sport and his love of Mosman Rowing Club. Many of you will be familiar with the enormous contribution the Evans family has made to the Club and to rowing in this country.

After tragically losing his right arm in a motor vehicle accident after being named in the Australian VIII, he recovered, taught himself to become left handed and continued his trade as an electrician.

He was 77 years of age.

**Jim Walker****April 2014**

Rowing NSW wishes to inform our community of the passing of Jim Walker.

Jim passed away peacefully on Friday, March 28. He was the patron of Drummoyne Rowing Club, and will be missed by many at the club.

**Norm Cannon****April 2014**

Norm Cannon, a former lightweight champion and fixture at the UTS Haberfield Rowing Club, sadly passed away on Monday morning, April 28.

Norm joined Haberfield in 1945 and in 1947 was in the crew that won the State Lightweight Champs. He decided to have a crack at sculling and won the State championship in 1950.

The rowing season of 1950/51 became an incredibly successful time for Norm, not only winning the State Lightweight Sculls but also the heavyweight double sculls, the heavyweight champion four and then making the trip over to New Zealand with Kevyn Webb to win the Christchurch Centennial Games Double Scull Gold Medal and the NZ National Double Scull championship.

After retiring from rowing, Norm became involved in the Club administration and was a tireless worker right to the end.

**Mal Shaw****May 2014**

It is with great sadness we received news from Anna Shaw that her husband Mal passed away on the morning of May 9 peacefully after a short struggle.

Mal was a Life Member of Mosman Rowing Club and a dual Olympian in the Australian 8+ at the 1972 and 1976 Olympics. After his rowing career ended with a bad back, he switched to coaching and had many successes coaching women's lightweight crews.

In later years he returned to New Zealand with his wife, Anna.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2014**

---

**1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Consolidation**

The financial statements consolidate the financial results of Rowing NSW Incorporated, and the LE Stepto Memorial Trust Fund. The Incorporated Association & its Controlled Entities together are referred to as the Economic Entity.

**Basis of Accounting**

Rowing New South Wales Inc. is incorporated in the state of New South Wales under the Associations Incorporations Act 2009. The financial statements of the Economic Entity have been prepared as Special Purpose Financial Statements for use by the Board and Members of the Incorporated Association and for the purposes of complying with the New South Wales legislation the Associations Incorporation Act 2009. The financial statements have been prepared on the basis that the Economic Entity is not a reporting entity because there are unlikely to be any other users of the financial statements as all users can obtain information specific to their needs upon demand.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors' and AASB 1048 'Interpretation and Application of Standards'. These financial statements do not conform with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where specifically stated, current valuations of non-current assets. The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the incorporated association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note paragraph titled 'Critical Accounting Adjustments'.

**Financial Statements Preparation**

The classification "Members' Accumulated Funds" is used in the financial statements as the Incorporated Association has no shareholders. It is believed the use of the classification "Equity" would be misleading as such no statement of equity has been prepared.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of these financial statements.

**ROWING NEW SOUTH WALES INC.  
ABN 16 289 721 685  
& ITS CONTROLLED ENTITIES**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2014**

---

**New Accounting Standards and Interpretations not yet mandatory or early adopted**

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the incorporated association for the annual reporting period ended 30 June 2014. The incorporated association has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

**Income Tax**

The Incorporated Association is exempt from income tax by virtue of Section 50–45 of the Income Tax Assessment Act 1997. As such no provision for income tax has been made and tax-effect accounting has not been adopted.

**Cash and Cash Equivalents**

Cash and short-term deposits in the Statement of Financial Position comprise cash at bank and on hand together with short-term deposits with an original maturity of twelve months or less.

**Trade and Other Receivables**

Trade receivables, which generally have 90 day terms, are recognised and carried at original invoice amount less an allowance for doubtful debts.

An allowance for doubtful debts is made when there is objective evidence that the Economic Entity will not be able to collect the debts. Bad debts are written off when identified.

**Property, Plant and Equipment**

Property, plant and equipment are brought to account at cost less where applicable any accumulated depreciation and any impairment of value. The carrying amount of property, plant and equipment is reviewed annually by the directors to ensure it is not in excess of the recoverable amount of those assets. The recoverable amount is assessed on the basis of expected net cash flows which will be received from the assets employment and subsequent disposal.

The depreciable amount of all property, plant and equipment, including building improvements, are depreciated over their useful lives commencing from the time the asset is held ready for use.

The depreciation is charged on a straight line basis and the following rates used for each class of asset are as follows:

Building Improvements	5%
Boats, Motors and Equipment	9% - 33%
Office Equipment and Fixtures	10% - 33%
Motor Vehicles	12.5%

**ROWING NEW SOUTH WALES INC.  
ABN 16 289 721 685  
& ITS CONTROLLED ENTITIES**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2014**

---

**Leases**

The determination of whether an arrangement is or contains a lease is based on the substance of the arrangement and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset.

A distinction is made between finance leases, which effectively transfer from the lessor to the lessee substantially all the risks and benefits incidental to ownership of leased assets, and operating leases, under which the lessor effectively retains substantially all such risks and benefits.

Finance leases are capitalised. A lease asset and liability are established at the fair value of the leased assets, or if lower, the present value of minimum lease payments. Lease payments are allocated between the principal component of the lease liability and the finance costs, so as to achieve a constant rate of interest on the remaining balance of the liability.

Leased assets acquired under a finance lease are depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the company will obtain ownership at the end of the lease term.

Operating lease payments, net of any incentives received from the lessor, are charged to profit or loss on a straight-line basis over the term of the lease.

**Employee Benefits**

Provision is made, as a current liability, for the legal liability to permanent employees for annual leave and long service leave. Long service leave is not provided until a permanent employee attains five years continuous service. Sick leave is brought to account as incurred.

Contributions are made by the economic entity to nominated employee superannuation funds and are charged as expenses when incurred. Apart from statutory obligations the Association has no other legal obligation to provide benefits to employees on retirement.

**Maintenance and Repairs**

Maintenance, repair costs and minor renewals are charged as expenses when incurred.

**Critical accounting judgements, estimates and assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

**ROWING NEW SOUTH WALES INC.  
ABN 16 289 721 685  
& ITS CONTROLLED ENTITIES**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2014**

---

**Estimation of useful lives of assets**

The economic entity determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

**(b) Reconciliation of Cash**

For the purposes of the statement of cash flows, cash includes cash and at call deposits with banks and investments in money market instruments, net of bank overdrafts. Cash at the end of the financial year as shown in the statement of cash flows is reconciled to the related items in the statement of financial position as follows:

Cash and cash equivalents	<u>359,494</u>	<u>421,679</u>
---------------------------	----------------	----------------

**16 CAPITAL COMMITMENTS**

Finance Lease Payable-Minimum lease payment		
Not later than twelve (12) months	22,369	5,297
Between twelve (12) months and five years	-	22,369
	<u>22,369</u>	<u>27,666</u>

The Motor Vehicle lease is a thirty six (36) month term lease with repayments payable monthly. A residual value of \$17,662 is to be paid at the end of the lease. The lease liability is secured by the vehicle, subject to the lease conditions.

**DIRECTORS' DECLARATION**

---

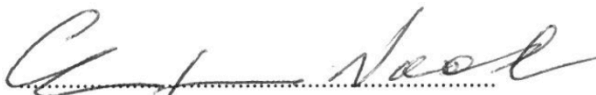

The directors have determined Rowing New South Wales Inc. & its Controlled Entities ("the economic entity") is not a reporting entity and these special purpose financial statements have been prepared in accordance with accounting policies in Note 1 to the financial statements. The special purpose financial statements have been prepared to meet the financial reporting requirements of the economic entity and to provide financial information to members.

The directors declare that the financial statements set out on pages 1 to 11 are drawn up in accordance with the accounting policies described in Note 1 so as to give a true and fair view of the economic entity's financial position as at 30 June 2014 and of its performance, as represented by the results of its operations and its cash flows, for the financial year ended on that date.

In the directors' opinion there are reasonable grounds to believe that the economic entity can meet its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors and is signed for and on behalf of the directors by:

**Director**   
.....  
**Ivan Adlam**  
**President**

**Director**   
.....

## Independent Auditor's Report to the members of Rowing New South Wales Incorporated

### *Report on the Financial Report*

We have audited the accompanying financial report of Rowing New South Wales Incorporated & its Controlled Entities, which comprises the statement of financial position as at 30 June 2014, the statement of comprehensive income, and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and director's declaration.

### *Management's Responsibility for the Financial Report*

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Associations Incorporation Act 2009 (NSW)*, and for such internal control as management determines is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the financial report presents fairly, in all material respects, the financial position of Rowing New South Wales Incorporated & its Controlled Entities as at 30 June 2014, and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards, the *Associations Incorporation Act 2009 (NSW)* and other mandatory professional and statutory reporting requirements in Australia.

### *Basis of Accounting*

Without modifying our opinion, we draw attention to Note 1 to the financial report which describes the basis of accounting. The financial report is prepared to assist Rowing New South Wales Incorporated to comply with the financial reporting provisions of the *Associations Incorporation Act 2009 (NSW)* and the association's constitution. As a result, the financial report may not be suitable for another purpose.

Dated at Sydney on the 22nd day of August 2014.

**Compilation Report to the members of Rowing New South Wales Incorporated**

The additional financial data presented on pages 16 to 17 are in accordance with the books and records of Rowing New South Wales Incorporated & its Controlled Entities (“the economic entity”), which have been subjected to the auditing procedures applied in our audit of the economic entity for the year ended 30 June 2014. It will be appreciated that our audit did not cover all details of the attached financial data.

Accordingly, we do not express an opinion on such financial data and in particular no warranty of accuracy or reliability is given. Neither the firm nor any member of the firm undertakes responsibility in any way whatsoever to any person (other than the economic entity) in respect of such data, including any errors or omissions however caused.

Dated at Sydney on the 22nd day of August 2014.

## OUR SUPPORTERS

Rowing NSW relies heavily on the support of a number of Sponsors, Merchandisers and Service Providers who assist the Association either through traditional sponsor relationships or through in-kind support or the provision of significantly discounted goods and services. Most of these relationships have been nurtured over many years and the benefits to Rowing NSW and our membership are becoming quite significant.

## PARTNERS

## SUPPORTERS

NEW SOUTH WALES UNION OF ROWERS, PARK PRINTING, THE CARBINE CLUB,  
LAKESIDE RESTAURANT, AMBULANCE SERVICE AUSTRALIA

Rowing New South Wales acknowledges the support of our many clubs and schools who have sponsored races at State Championships or supported the Association through the provision of facilities and equipment this season. Rowing New South Wales is also extremely grateful for the support of the Trusts and Unions reported upon previously; particularly the LE Stepto Trust and the ER Bromley Trust.
